The line signifies a rootedness to the rich cultural values of the nation and is suggestive of a desire to create confident, dedicated honest and upright individuals who become assets to the society.

There exists an atmosphere of cordial relationship between the students and teachers in the College. Apart from academic pursuits, stress is laid on co- curricular activities and all-round development of the students' personality. Special attention is paid to the students coming from backward and marginalized sections of society whose welfare was on the top of the agenda when the College was established. The College has a well-equipped library, which is supervised and managed by a qualified Librarian. The library is fully digitalized. Photocopier machine and computers with Internet facilities are available in the College Library.
