Kind of support to the Mentee:

There are 35 mentors studying under my supervision. out of which 5 (five) are Dropout and rest 30 are studied. The causes of Dropout above 5 students are due to poor economic condition and engaging in different job, course. I am keeping direct touch with students through whatsapp group and assisting necessary suggestion as and when required. Beside these the procedure followed are.....

- Recognize positive effort, tell them when he or she is doing
- Encourage students to be hard working, sincere and accountable
- 3. Work with them to develop specific goals
- 4. Try to solve their problems related to academic field
