A REPORT ON FIELD TRIPS AND INTERSHIP OF STUDENTS OF DIPLOMA IN "TEA PLANTATION AND MANAGEMENT" AND B. VOC STUDENTS OF "SMALL TEA GARDEN MANAGEMENT" SESSION- 2020-21

A total of thirty-two (32) nos. of students were admitted to the course of Diploma in Tea Plantation and Management and twenty (20) nos. of students were admitted to the course. In this session, the students' visited Experimental Garden on Plantation Crops, **Assam Agricultural University, Jorhat**. They learnt about pruning and plucking methods, tea pests and diseases, mulching in young tea sections, use of pesticides, drainage systems etc., followed in the field. Due to the pandemic situation of Covid - 19 the exposure in the practical field was limited and hence the students were not able to visit other commercial gardens.

Internship Training of Students:

After the covid-19 restrictions were waived by the Government, the students were allowed to undergo 60 days internship programme in their 2nd semester course in various tea estates of Assam from November, 2021 as a part of their course curriculum. However, during that period most of the Tea Gardens were unwilling to provide facilities of Field Visit and Factory Visit to the students due to covid-19 restrictions and therefore few of the students were unable to undergo the internship in the stipulated period of time.
