FDP on use of ICT in classroom teaching

The one week Faculty Development Programme on 'Use of ICT tools for Classroom Teaching' was organised by Jorhat Kendriya Mahavidyalaya and **Electronics and ICT Academy IIT, Guwahati with support from Mantra Associates** from 1st July to 6th July, 2019. It was successfully held and 69 participants from different colleges and University registered for the programme. Mr. Saumyajit Choudhury and Mr. Deenu Lazarus from Mantra Associates acted as Resource Person in the One Week Faculty Development Programme.

The programme started on 1st July, 2019 at 9 am. On the onset of the programme, two Resource persons and Dr. Munindra Konwar, Principal of Jorhat Kendriya Mahavidyalaya were felicitated by Assamese Fulam Gamucha. Then the welcome address was delivered by the principal of the college. He first welcomed both the participants and Resource Persons and mentioned that application of ICT tools in teaching learning process has changed the scenario. ICT can't replace the teacher; it can aid the teacher in the process of teaching and make the teaching learning process more interactive. The effective use of ICT in teaching learning process also depends on teacher's ICT competency and skill. So teachers have to realize that if the students are to achieve a high level of competency and competitiveness, they have no other choice but to adopt technology as an integrated tool in the field of education. Both the Resource Persons also spoke about the importance of use of ICT tools in the classroom and wished the participants. In this auspicious day "Candescent" the Resource Journal of Jorhat Kendriya Mahavidyalaya was also released by Principal Dr. M. Konwar.

Formation of Incubation and Innovation Council, JKM

A meeting of the 'Incubation and Innovation Council', Jorhat Kendriya Mahavidyalaya was held on 28th April 2021 under the chairmanship of Dr Dulen Saikia, Principal & Secretary of the College in the Academic Conference Hall. In the presence of Vice Principal and Academic vice Principals, Faculty members and Non-teaching Staff the objectives of the meeting were placed by Dr Arunima Borah Associate Professor, Department of English. The main objective of the meeting was to form the JKM Incubation and Innovation Council. The chairman of the meeting Dr Dulen Saikia highlighted the areas of IIC. IICJKM strives to cater to the rural areas in the vicinity of the wherein the need of awareness and creation of innovation ecosystem requires attention. The council will act as a facilitator for the establishment and nurturing of the Start-up ecosystem by providing the adequate infrastructural support, training, development, mentorship, networking, etc. The IICJKM has been envisaged as a platform for encouraging 'out of the box thinking' and for developing innovative and entrepreneurial skills. The cell hopes to bring out the inventiveness of students, faculty members, the alumni and all those associated with it by connecting people, developing opportunities, facilitating entrepreneurship through innovation and opening vistas for new ways to think, learn, create and grow.

Objectives:

1. To create a vibrant local innovation ecosystem.
2. To encourage Entrepreneurship, innovation and incubation of ideas.
3. To promote new technology/knowledge/innovation based startups.
4. To create awareness among the students on the importance of micro, small and medium business enterprises towards economic growth and community development.
5. To facilitate networking with professional resources including mentors, experts, investors, industry professionals, consultants and advisors for incubated projects
6. To identify potential Entrepreneurs and nurture and support them to develop independent self-sustaining business.
7. To develop a bridge between academicians, entrepreneur and civil society especially with the affiliated colleges of the University.
8. To motivate Students to think laterally and to generate innovative ideas.
9. Providing guidance to students with the help of local resources for product development.
10. To facilitate innovative products that may be useful for society.
11. Identify and reward innovations and share success stories.
12. Organize periodic workshops/ seminars/ interactions with entrepreneurs, investors, professionals and create a mentor pool for student innovators.
13. Create an Institution's Innovation portal to highlight innovative projects carried out by Institution's faculty and students.

trade mark and on the process of registration in start-up website in India. He not only demonstrated the entire process of registration in TIDE, Assam Startup, IAC etc. but also helped the representatives register successfully in IAC. The discussion then moved on to the second subject in the agenda. The Mega Event of startup to be organised as a collaborative venture of the three colleges under 'Friendship Cluster Union'.

The following were the main decision of the meeting: -

1. That all Colleges under Friendship Cluster Union would register in the IAC
2. The Venue for organising the mega event the conclave would be NEIST.
3. Sponsorship for the Conclave must be sought from the following institution-
(a) NEIST (b) USTM (c) Kaziranga University (d) Rain Forest Research Institute (e) Assam Startups (f) Oil India Ltd. (g) NRL & ONGC
4. Drive for registrations of at least 60 institutions in IAC & Other Websites
5. Tentative date for the Conclave was set for Oct 10th to 12th 2022.

The meeting turned out to be a fruitful one. There was exchange of ideas regarding startups and consultancies on ways of moving ahead successfully. The meeting came to and end with the vote of thanks by coordinator IQAC, JKM, MrPranjal Dutta.
