On the World Environment Day, people from around the globe come together to take action for the protection of our planet, <b>The theme for World Environment Day 2022 is "Only One Earth".</b>            Realizing the significance of the day, Jorhat Kendriya Mahavidyalaya a premier Educational Institute of Jorhat is planning to celebrate the 50<sup>th</sup> anniversary of UN-World Environment Day-2022 with three days event from 5<sup>th</sup> to 7<sup>th</sup> June 2022.            In the universe there are one billion of galaxies, in our galaxy there are one billion of planets, but there is 'Only One Earth'. We are loosing biodiversity globally at an alarming rate and we need abundance of different plants and animals for the planet's health.            We need to live sustainably in harmony with nature and our responsibility is to transform in to a greener lifestyle through both policies and individual choices. Let us join hands for a better tomorrow.         </div> <div> <b>Submit your Abstract / Full Paper :</b>            On the eve of the last theme of the event            Last date of submission: 30<sup>th</sup> May' 2022            Date of Publication of list of participants &amp; Programme Schedule : 2<sup>nd</sup> June 2022. 2021-2022	28th Feb 2022	Conference on the occasion of Celebration of National Science Day topic Integrated Approach in Science and Technology for a Sustainable Future

### Celebration of NATIONAL SCIENCE DAY 28<sup>th</sup> February, 2022

## Jorhat Kendriya Mahavidyalaya

*Theme-Integrated Approach in Science and Technology for a Sustainable Future*

**Under the aegis of**

**SCIENCE AND TECHNOLOGY FORUM  
Jorhat Kendriya Mahavidyalaya**

Chief Guest of Honour  
Prof. Jiten Hazarika, Registrar,  
Dibrugarh University

*In Collaboration with  
IQAC, Community College & Incubation and Innovation Centre ,  
Jorhat Kendriya Mahavidyalaya*

**Nobel laureate**

**SIR CV RAMAN**

7 Nov 1888-21 Nov 1970

#### **Rationale of the event:**

In 1928 an Indian Scientist Sir Chandrasekhara Venkata Raman discovered a phenomenon known as Raman Effect and for his remarkable discovery in 1930 he got the Nobel Prize and became the first Indian to win a Nobel Prize in the field of Science. To mark this discovery, National Science Day is celebrated in India since 1987 on 28<sup>th</sup> February every year. Events on this day remind the importance of science inspiring people of all ages to work in the field of SCIENCE. This day attracts many young minds and motivates them to take up science as their career. The celebrations of this day include showcasing the country's competence in the field of science. National Science Day is also known as Rashtriya Vigyan Diwas and is observed to mark the discovery of Professor Raman's work on the scattering of light by liquids.

#### **HIGHLIGHTS OF THE EVENT**

**Science based Entrepreneurship Demonstration  
for Students & General Public**

- Demonstration of LED Electronic bulb production process.
- Demonstration of LED Electronic bulb repairing process.
- Demonstration of Vermi-compost production process.
- Demonstration of Green tea manufacturing process.
- Demo of passing electric current through transparent glass & Plastic.

#### **Start-up Release of JKM on the Occasion of National Science Day 2022**

- "Dubori" Green House Knowledge Hub Nursery.
- "JKM Solar Carousel" designed by IIC-JKM
- LED repairing Centre
- "Etikoli"-Organic Green Tea, JKM start-up product
- Innovative Software product for HEI
- "Krishi Mitra" - Vermi Compost, JKM start up product.
- Consultancy Services for green audit & energy audit.

### The Institute at a glance

Jorhat Kendriya Mahavidyalaya is a Co-educational premier Institute in North- East India, affiliated to Dibrugarh University offering UG courses both in Arts & Science stream and vocational courses like B.Voc in Tea plantation, Diploma in Horticulture etc. The College is located at Kenduguri, 3 km in the east of Jorhat city and is well linked by NH-37 as well as by the Assam Trunk Road. The College was established in 1981 with the noble objective of meeting the needs of higher education of a larger section of the society, specially the rural community and those who do not have a well-built financial standing.

In parallel with the introduction of the Semester system by the University from 2011-2012, the College has introduced B.A. and M.A courses in the distance mode to pave a way for pursuing higher studies for the students who are unable to attend regular courses for various reasons. The college is accredited with grade B++ by NAAC in its second cycle of accreditation with a CGPA of 2.73.

### Organizing Committee of the Event

**Chairperson:** Dr. Dulen Saikia, Principal & Secretary, JKM & Chairperson, Incubation Innovation Center(IIC), JKM  
**Vice Chairperson:** Dr. Ganes Ch. Bora, Vice Principal, JKM  
**Joint Convenors:** Mrs. Ely Phukan, Academic Vice-Principal, Science Stream & HOD Department of Zoology  
 Dr. Rakesh Vaid, Department of Electronics, University of Jammu  
**Co-convenors:** Mr. Sabikur Rahman, Asst. Prof., Jorhat Engineering College  
 Mr. Binod Hazarika, Asst. Prof., Dept. of Chemistry, JKM  
**Coordinator:** Mrs. Pinaki Hazarika, HOD Department of Botany JKM  
**Assistant coordinators:**  
 Mrs. Parinita Tamuly, HOD Department of Chemistry, JKM  
 Mr. Rajib Bordoloi, HOD Department of Physics, JKM  
 Dr. Devi Dass, Assistant professor & Head, Department of Electronics, Govt. Degree College (Boys), Udhampur, UT of J & K, India  
**Publicity Secretaries:** Dr. Ananta Tamuli, Asst. Coordinator, IQAC  
 Mrs. Ratnamoni Dutta, Asst. Coordinator, IIC, JKM  
**Executive Members:** Mr. Pranjal Dutta, Coordinator, IQAC  
 Dr. Arunima Borah, Joint Coordinator, IIC, JKM  
 Dr. Rakesh Prasher, Lecturer in Electronics, GM Science College, Jammu, UT of J & K, India  
**Registration & Certificates Sub Committee:**  
**Joint Coordinators:** Mrs. Arpona Saikia, Asst. Prof., JKM  
 Mrs. Nibedita Baruah, Associate Prof., JKM  
 Dr. Rajen Borah, Associate Prof., JKM  
 Mr. Someswar Bora, Asst Prof. JKM  
**Assistant Coordinators :**  
 Mrs. Minakshi Borah, Associate Prof., JKM  
 Mrs. Sewali Hazarika, Asst. Prof., JKM  
 Mrs. Mrs. Leena Saikia, Asst. Prof., JKM  
 Dr. Panchali Karmakar, Asst. Prof., JKM  
**Contact No: 9401581132; 8638771927**

### Schedule of the Event

Days	Time : 10am to 12 pm	Time : 2pm to 5pm
Day-1 27-07-21	Inaugural Session	Technical Session-I Physics + Electronics Lab
Day-2 28-07-21	Practice Session-I (11am to 12 pm)	Technical Session-II Physics + Electronics Lab
Day-3 29-07-21	Practice Session-II (11am to 12 pm)	Technical Session-III Bioinformatics
Day-4 30-07-21	Practice Session-III (11am to 12 pm)	Technical Session-IV Chemistry Lab
Day-5 31-07-21	Practice Session-IV (11am to 12 pm)	Technical Session-V Chemistry + English Lab
Day-6 01-08-21	Practice Session-V (11am to 12 pm)	Valedictory Session 3pm to 4.30pm

### Course Contents:

#### Lab on Bioinformatics

Different e-resources and database search  
 Similarity search in sequence such as BLAST/FASTA.  
 Creation of databases  
 Construction of phylogenetic tree.

#### Lab on Physics & Electronics:

Some important experiments in the area of Optics, Electricity & Magnetism, Mechanics and Electronics.

**Lab on Chemistry:** Titration, Salt analysis, Physical properties of liquid

**English on Lab:** Vocabulary, Pronunciation, Grammar,

2021-2022	27 <sup>th</sup> July & 1 <sup>st</sup> August 2021	A National level One Week Familiarization Workshop On Remote Access to Lab: Lab on a Screen

### Rationale of the Event:

The rapid transition from University or College classrooms to online classes in the wake of COVID-19 has given faculty members little time for planning and preparation. However, it may be regarded as an excellent opportunity to engage students with technology and in parallel to circumvent unforeseen disruptions, as happened recently due to pandemic. Science labs can be taught effectively online with the aid of recent advancement of information technologies. A new mode of laboratory known as the Virtual Laboratory has recently begun to revolutionize the laboratory education system. A Virtual Laboratory can be defined as an environment in which experiments are conducted or controlled partly or wholly through computer operation and simulation via internet. It can provide the student community remote-access to Labs in various disciplines of Science and Engineering. These Virtual Labs/OLabs would cater to students at the undergraduate level, post graduate level as well as to research scholars. Students can progress in their studies without any disruptions since important experiments can be conducted online at home. It can be used for teaching purposes in biology, chemistry, physics, mathematics, english and electronics and in fact for any disciplines of sciences & engineering. Virtual learning environments allow students to complete laboratory experiments online and explore concepts and theories without stepping into a physical science lab. The concept of Virtual labs/OLabs is an initiative of Ministry of Education under the National Mission on Education through ICT. There are 100+ virtual labs, 700+ web enabled experiments and it is an opportunity for students to get the lab on screen. It may be your mobile screen, laptop screen, desktop screen or a tablet screen. The main objective of the present workshop is to provide hands on training on handling of virtual lab on a screen and how students can get into experimental learning at home.

### Registration Details

Registration fee for Faculty: 500 INR  
Registration fee for Students UG/PG: 100 INR  
Last date of Registration : 26-07-2021

Certificate will be issued only for the regular attendees

### Important Features of the Event

- Concept of Virtual Lab and OLab
- Remote access to lab as a solution to offline Lab
- Online advanced simulators of offline experiments
- Key Software & Data base for the Virtual Lab
- Bioinformatics Lab
- Online Chemistry Lab
- Online Physics Lab
- Online Life Science Lab
- Online Electronics Lab
- Online English Lab

2020-2021	24 <sup>th</sup> , 25 <sup>th</sup> and 26 <sup>th</sup> June 2021 National Seminar and Workshop on “Significance of Soft Skills and Life Skills and its Pertinence in Career Development”(Virtual mode)

### Rationale of the event :

Personality development is relatively the enduring pattern of thoughts, feelings, and behaviors that distinguishes individuals from each other. Multifaceted traits are deemed to have immense impact in one's career development as well as in professional development.

In recent years, the rapid developments in science and technology and the challenges of globalization are posing additional challenges to the education system. So, to keep pace with the rapid changes in the world at large, the University Grants Commission has been issuing guidelines from time to time for introduction of Career Oriented Courses in Universities and Colleges with an aim to reorient and reshape policies and programmes to make the current Indian Higher Education System more relevant and career-oriented with focus on quality and excellence. It has been envisaged that professionally qualified graduates with a sound knowledge of their core disciplines and expertise in a concerned skill will have more openings in service, industry and self-employment. Soft skills and life skills can make human life more adorable by altering his attitudes & traits and at the same time paving the way for better opportunity and employability.

Soft Skills is a term often associated with a person's ("EQ") Emotional Intelligence Quotient, the cluster of personality traits, social graces, communication, language, personal habits, interpersonal skills, managing people, leadership, etc. that characterize relationships with other people. Life Skills have been defined by the World Health Organization (WHO) as "abilities for adaptive and positive behavior that enable individuals to deal effectively with the demands and challenges of everyday life". They represent the psycho-social skills that determine valued behavior and include reflective skills such as problem-solving and critical thinking, to personal skills such as self-awareness, and interpersonal skills.

It has become essential for higher education institutions to equip the students with Skills that would increase the employability quotient. In this context, the National Seminar and Workshop on "Significance of Soft Skills and Life Skills and its Pertinence in Career Development" is being organized with an aim to bring under one roof academicians and faculty members, researchers and students to share views and ideas about the importance of Soft Skills/Life Skills and its parameters. The seminar is an effort to produce a distinctive way of thinking about how innovations in higher education can influence the quality a student's life.

2020-2021	19th January 2021	Workshop on National Science Day
-----------	-------------------	----------------------------------

### Celebration of National Science Day Under the aegis of

**"SCIENCE AND TECHNOLOGY FORUM",**  
Jorhat Kendriya Mahavidyalaya  
on  
27<sup>th</sup> & 28<sup>th</sup> February 2021

In Collaboration with  
IQAC, Community College &  
Department of Physics, Chemistry, Botany and  
Zoology, Jorhat Kendriya Mahavidyalaya.

#### Important features of the Event :

- Inauguration of Botanical Garden.
- Inauguration of Vermi-compost production unit & training Centre in the College Campus.
- Inauguration of adopted model village Website.
- Inauguration of Electronic LED bulb production Unit & training Centre in the College Campus

#### Activities of the day :

- **Poster Presentation & Competition**
- **Model Competition**
- **Quiz Competition**
- **Short Film Competition**

2020-2021	19th January 2021	Workshop on National Science Day																												
	<p><b><u>Rationale of the event:</u></b></p> <p>In 1928, an Indian Scientist <i>Sir Chandrasekhara Venkata Raman</i> discovered a phenomenon known as Raman Effect and for his remarkable discovery in 1930 he got Nobel Prize and became the first Indian to win a Nobel Prize in India in the field of Science. To mark this discovery, National Science Day is celebrated in India since 1987 on February 28 every year. Events on this day remind the importance of science inspiring people of all ages to work in the field of SCIENCE. This day attracts many young minds and motivates them to take up science as their career. The celebrations of this day include showcasing the country's competence in the field of science. National Science Day is also known as "Rashtriya Vigyan Diwas" and is observed to mark the discovery of Professor Raman's work on the scattering of light by liquids.</p> <p><b><i>Jorhat Kendriya Mahavidyalaya is Celebrating the National Science Day on 27<sup>th</sup> &amp; 28<sup>th</sup> February, 2021 based on the theme as below:</i></b></p> <p><b><u>"Applied Science and Skill Development: A Bridge for Building Scientific Society"</u></b></p> <p><b><u>General Body, Science and Technology Forum, JKM</u></b></p> <table><tr><td><b>President</b></td><td>: Dr. Dulen Saikia, Principal, JKM.</td></tr><tr><td><b>Vice President</b></td><td>: Dr. Gonesh Ch. ### Poster Presentation For Undergraduate Students (Arts & Science):

#### Poster Presentation 27<sup>th</sup> Feb

Title of Poster Presentation: **"Health Benefit's of Fruits & vegetables"**  
Each poster (Flex) should have a width of 1.0 m and height of 1.2 m. Each candidate will be allowed to present only one poster. Posters will be removed only after the valedictory function. For further information, please contact : Arpona Saikia 6003313108; Benjit B Buragohain 6000517263; Rashmi R Bora-8011286950  
E-mail: [stfjkm@rediffmail.com](mailto:stfjkm@rediffmail.com)

### Quiz Competition (Greater Sivasagar District) for IX to XII standards

#### Quiz Competition 27<sup>th</sup> Feb

- Each team can have a maximum of 3 participants.
  - Authority letter from Head of the Institution.
  - Date: 27<sup>th</sup> February
- For further information, please contact: Jyoti Shikha Bora (9435922352); Dr Panchali Karmakar (9864252196); Sewali Hazarika (8638871884)  
E-mail: [stfjkm@rediffmail.com](mailto:stfjkm@rediffmail.com)

### Model Making/Working Model exhibition for IX to XII standards

#### Model Competition 27<sup>th</sup> Feb

Theme for the Model Competition is **"Sustainable Energy and Sustainable Development"**

- Each team can have a maximum of 5 participants.
  - The model/project can either be a working model or an investigation based project.
  - The model/project can be an innovative/inexpensive design or technique.
- For further information, please contact : Porinita Barua-8486062073; Sewali Saikia-9678416827; E-mail: [stfjkm@rediffmail.com](mailto:stfjkm@rediffmail.com)

### Short film Competition (Max 4 minutes)

#### Short film Competition 27<sup>th</sup> Feb

If film making fascinates you and science is your passion, then this is the chance you don't want to miss.

Interested student participants (**Undergraduate level**) are invited to participate in this unique short film competition on **The National Science Day Celebration 27<sup>th</sup> -28<sup>th</sup> Feb' 2021** at JKM.

Theme for the short film : **"Applied Science and Skill Development: A Bridge for Building Scientific Society"**

Last date of submission of Short film: 25<sup>th</sup> Feb 2021

E-mail: [stfjkm@rediffmail.com](mailto:stfjkm@rediffmail.com)  
List of participants will be published in the College Website.

The short film must be submitted online only to the following e-mail: [stfjkm@rediffmail.com](mailto:stfjkm@rediffmail.com)

For further information, please contact: Deepti B Bhuyan - 6900448250 and Leena Saikia 8638026259 or E-mail: [stfjkm@rediffmail.com](mailto:stfjkm@rediffmail.com)

**JORHAT** : Jorhat is one of the major cities of Assam. Variously referred to as the "Cultural Capital of Assam", Jorhat has a rich cultural heritage and glorious historical background. It was the last capital of Ahom Kingdom and home to many historical monuments of Assamese culture. Jorhat is also an important commercial and educational centre of Upper Assam producing many famous industrialists, educationists, scholars, writers, historians etc.

## ABOUT JORHAT KENDRIYA MAHAVIDYALAYA

Jorhat Kendriya Mahavidyalaya was established in the year 1981 with a view to meet the higher educational needs of a large locality of East Jorhat. It is one of the premier co-educational institutions in Assam offering courses of study in both Arts and Science Stream. The college is permanently affiliated to Dibrugarh University. In parallel with the introduction of the semester system by the university from 2011-2012, the college has introduced B.A. and M.A. in Distance mode under Dibrugarh University.

The College has also introduced the Community College Scheme of UGC in 2015 by starting a one year Diploma Course in "Tea Plantation and Management" and B. Voc. from October, 2018. Apart from raising academic standard of students, the college has been continuously guiding the students in cultivating moral and social values so that they emerge as morally upright individuals and thereby prevent erosion of values in society. On the basis of its performance in the field of Higher Education, the college has been re-accredited by NAAC with B++ Grade in October 2018.

2019	28th & 29th January 2019
	International Conference on "India's Act East Policy : Problems and Prospects in Socio-cultural and Economic Development of North-East India"

## ABOUT THE CONFERENCE

Since the initiation of the Look East Policy in 1991 launched by former Prime Minister Narasimha Rao, bilateral relations between India and ASEAN have progressed rapidly. The major aims of the policy included development of contacts, increase economic integration and forging security cooperation with countries of Southeast Asia and the development of the North East region. Under the regime of Prime Minister Narendra Modi who came to power in 2014, the policy received immense priority. The slight change in the terminology from 'Look East' to 'Act East' enabled a marked shift in India's perspective of the world. A sense of the change in the lotus of world economic power from the 'west' to 'east' is highlighted and the strategic and economic importance of Southeast Asia to India's National interest being recognized. India's 'Look East Policy' was impelled by economic and political imperatives whereas India's 'Act East Policy' was impelled by India's strategic imperatives to establish its strategic footprints in South East Asia.

The North East of India is situated at a pivotal location having easy connectivity with the South Asian Countries. Any effective deliberation on implementation of the Act East Policy of the Government of India will amply be fruitful if pursued on the background of this region. Extensive deliberations in the prospective background of this region is very essential in order to harvest the benefits of the progress of South Asian countries. It is therefore felt necessary to deliberate on the 'Act East Policy' in the interest of rapid development of North-East India- the region with high prospects in the areas of economic development, socio-cultural exchange and tourism development.

The implementation of India's Act East Policy has the potential to transform the North East India to a region of peace and economic prosperity. In this context, Jorhat Kendriya Mahavidyalaya is organizing this Two Days International Conference on "India's Act East Policy" Problems and Prospects in Socio-Cultural and Economic Development of North East India" in collaboration with Silpakorn University, Bangkok, Thailand.

## SUB THEMES

1. Act East Policy and socio-cultural development of North East India
2. Act East Policy and economic development of North East India
3. Cultural Relation of Assam and the North-East of India with South-East Asia
4. Problems and Prospects of North East India
5. Historical roots of India with South east Asia
6. North East India: Gateway to South East Asia
7. India and South East Asian Countries
8. The Significance of 'borders' in India's Look East Policy
9. The Evolution of the Look East Policy
10. Trade between South East Asia and India in the Early Modern Period
11. Role of North East in the 'Look-East Policy'
12. Other related themes

**INVITATION**

To \_\_\_\_\_

Dear Sir/Madam,

It gives us immense pleasure to convey that the Department of History and Economics of Jorhat Kendriya Mahavidyalaya is jointly organizing a National Seminar on "Environmental Degradation and its Effects in India with Special reference to North East Region" on 22nd & 23rd September, in collaboration with Socio-Ecological and Health welfare Association (SEHWA).

All professionals, researchers' academicians, scholars, teachers and students are cordially invited to participate and present research papers.

Dr. Munindra Konwar  
Chairman

Karabi Boruah  
Dr. Ananta Tamuli  
Joint Co-ordinator

**Aims and objectives of the Seminar**

One of the greatest challenges facing humanity is environmental degradation. Environmental degradation includes deforestation, desertification, pollution and climate change etc. This has been an issue of increasing concern for the global community. Since the beginning of the nineteenth century, the explosive growth, expansion and needs of the world's population, accompanied by new technological advances have caused environmental imbalances and degradation to a large extent. Environmental degradation mainly due to increasing unsustainable human practices and activities now seriously endangers the entire production platform of the planet. Pollution is one of the important causes of environmental degradation. In India, more than three quarters of the population depends directly for its livelihoods on activities based on natural resources. The remainder of the population relies on these resources indirectly for food, fuel, industrial output and recreation. In North-Eastern region, the massive degradation of forest land due to increasing human activities in the hills has posed a threat to quite a few rare plant species. Because of Environmental degradation flood is becoming increasingly severe in terms of area and duration of submergence. The large scale degradation of agricultural land in the region has been responsible for creating food insecurity in some parts of the region. This has created a large number of environmental refugees in the region.

Regarding the above mentioned aspects, there is a great need of such a seminar to make the people aware of the environmental degradation which is a threat to our life and to take necessary measures to protect the environment.

**ABOUT THE COLLEGE**

Jorhat Kendriya Mahavidyalaya is a co-educational premier institution of higher education in Assam, offering courses of study in both Arts and Science streams. The College is located at Kenduguri, 3 km. east of Jorhat city centre and is well linked by NH-37 as well as by the Assam Trunk Road. The college was established in 1981 with the noble objective of meeting the needs of higher education of a large locality, quite a number of who belong to the rural and economically weak background. The College is permanently affiliated to Dibrugarh University. In Parallel with the introduction of the Semester system by the University from 2011-12, the College has introduced B.A and M.A in the Distance mode to enable employed students or students who are unable to pursue regular courses for different reasons an opportunity for higher education. The College is re-accredited by NAAC with B++ Grade in October 2016. Jorhat Kendriya Mahavidyalaya has introduced the Community College scheme in 2015 by starting a one-year (two semesters) Diploma Course in "Tea Plantation and Management". The first batch of students has successfully completed the course in June 2016 and a second batch was enrolled in August 2016. The course is making headway with the full support and cooperation of several personals closely associated with tea industry and in collaboration with tea gardens of the neighboring area.

Dear Sir/Madam,

Dear Sir/Madam,

It gives us immense pleasure to convey that the Community College Wing of Jorhat Kendriya Mahavidyalaya, is organising a National Level Workshop on "SKILL DEVELOPMENT UNDER COMMUNITY COLLEGE SCHEME: ITS PROBLEMS AND PROSPECTS" on 1<sup>st</sup> and 2<sup>nd</sup> September, 2017, in collaboration with Small Tea Growers Associations, Jorhat District.

You are cordially invited to participate in the workshop and make it a successful one.

Dr. Munindra Konwar  
President,  
Organising Committee,

Principal,  
Jorhat Kendriya  
Mahavidyalaya

Ms. Arunima Borah  
Convener,  
HOD & Associate Professor,  
Department of English, JKM

Ms. Pinaki Hazarika  
Assistant Convener,  
Asst. Professor, Dept. of Botany,  
Co-ordinator, Tea Plantation and  
Management Course,  
Community College Wing, JKM

### ABOUT THE COLLEGE

Jorhat Kendriya Mahavidyalaya is a co-educational premier institution in Assam, offering courses of study in both Arts and Science streams. The College is located at Kenduguri, 3 km. east of Jorhat city centre and is well linked by NH-37 as well as by the Assam Trunk Road. The college was established in 1981 with the noble objective of meeting the needs of higher education of a large locality, quite a number of who belong to the rural and economically weak background. The College is permanently affiliated to Dibrugarh University. In Parallel with the introduction of the Semester system by the University from 2011-2012, the College has introduced BA and M.A in the Distance mode to enable employed students or students who are unable to pursue regular courses for different reasons an opportunity for higher education. Jorhat Kendriya Mahavidyalaya has introduced the Community College scheme in 2015 by starting a one year (Two semesters) Diploma course in Tea Plantation and Management. Two batches enrolled in 2015 and 2016 respectively have successfully completed the course. A third batch is making a headway with full support and cooperation of several personals closely associated with tea and in collaboration with tea gardens of the neighbouring area.

### ABOUT THE THEME OF THE WORKSHOP

India, at present, is recognized as one of the younger nations in the world with over 50% of the population under the age of 30 years. This has increasingly been recognized as a potential source of significant strength for national economy, provided the skills of the population in the working age group are equipped and continuously upgraded. In recognition of this need, the 12th Five Year Plan document of planning Commission has laid a special emphasis on expansion of skill-based programmes in Higher education and recommends establishment of 200 community colleges under University Grants Commission (UGC) in the existing colleges/ universities as a separate entity to prepare skilled manpower with desired employability based on learner's interest and community needs. The aim of Community College therefore is to generate skilled manpower to the tune of market demand by imparting job oriented, work related, skill-based and life coping education.

While Community college scheme hopes to make qualitative difference in the economic scenario of the nation, this will only be possible with collaboration from local industrial establishments/potential employers and after taking into account the opportunities available for employment and self-employment in the local area. The Community College cannot succeed without the active participation and collaboration of the industrial, rural, agricultural, commercial and service organizations of the locality. Moreover, the skill development programmes chosen for training must be based on need assessment survey and felt need of the locality. The workshop therefore, proposes the following objectives:

1. To explore viable prospects in specific locations in the state of Assam for full utilization of the scheme to empower potential youth of the community.
2. To identify the workforce needs of the state.
3. Suggestion of relevant skill-development courses with corresponding organizations for linkage and support.
4. To explore the available fields for endorsement of skilled workforce and possibilities of self-employment.
