THE FOLLOWING IS FRAMED TO KEEP LABORATORY WORK EFFICIENT, AND
TO ENSURE A SAFE LEARNING ENVIRONMENT.

LAB USAGE

- Students are oriented and re-oriented about lab rules and safety precautions during the start of each semester and in their first lab classes.
- Instructions regarding handling hazardous chemicals, disposal of wastes, cleaning up of spills and operation of instruments are given.
- The instructions are reiterated through printed information in lab manuals.

EQUIPMENT PURCHASE AND INSTALLATION

- Selection of equipment/ instrument is done based on the lab need and annual budget allotment.
- Purchase of instrument is done as per the college's instrument-purchase guidelines by calling for competitive quotations from vendors (College Purchase Committee decides for equipment rated).
- Installation of equipment is done by the vendor in the presence of lab assistant in-charge of the instrument and testing its functionality and hands over the documents such as User Manual, warranty card, manufacturer and vendor invoice, contact information etc. for filing.
- Equipment logbook is kept next to the instrument, in compliance with safety regulations, to ensure entry of usage.

Maintenance of equipment, like cleaning, adjustment and calibration is done at periodic intervals to keep it working and extending the life of the equipment.

- Repairs are arranged for, to get the equipment working again.

GENERAL SAFETY PRINCIPLES FOR STUDENTS

Students are to

- Wear a lab coat and put their hair up before entering a laboratory.
 - Conduct themselves in a responsible manner at all times in the laboratory.

- Avoid leaving their lab activity unattended.

The Standard Operating Procedures insisted in the labs are:

- Never work alone in a laboratory.
- Be sure to clean your area thoroughly 5-10 minutes before the end of the class and keep the lab space clean for the next class period. Wipe down the counters, put away all equipment in clean, cool and dry condition. Wash your hands before leaving the lab area.
- Chemicals must be mixed only following the experimental procedure and only when the instructor is present.

3. ICT Policy

ICT POLICY OF JORHAT KENDRIYA MAHAVIDYALAYA

Policy on Use of Information and Communication Technology

Worldwide research has shown that Information and Communication Technology (ICT) in education can lead to an improved student learning and better teaching methods. Jorhat Kendriya Mahavidyalaya too has well-established mechanism for upgrading and deploying information technology (IT) infrastructure.

- ❖ The use of ICT in classroom education with integrating technology to the curriculum and has a significant and positive impact on students' achievements.
- ❖ The results specifically showed that the students who are continuously exposed to technology through education has better 'knowledge', presentation skills, innovative capabilities, and are ready to take more efforts into learning as compared to their counterparts.
- ❖ For maintaining the hardware and the IT infrastructure of the campus, technical staff is outsourced and college allocates budget for annual maintenance on the basis of the need and number of the students, teachers' ratio.
- ❖ The institution present IT facilities updated with 7 classrooms and 2 seminar halls and the whole campus has Wi-Fi internet coverage.
- ❖ To minimize the use of papers and chemicals authority emphasized Social platform such as WhatsApps, Youtube, Google Classroom, Amrita Vlab etc.
- ❖ The Departments also make use of Google Classrooms, Youtube, Zoom, Microsoft team, Google Meet, etc. for lecture notes sharing and online classes.
- ❖ Even the financial activities are transformed to digital forms after the Prime Minister initiative of Digital India. Library activities such as cataloguing, accessioning and circulation are also computerized.
- ❖ Updated versions of windows, library management software-Soul-2.0, bar code scanner, bar code attendance facilities etc are introduced.

- ❖ Employer's attendances are also recorded through biometric scanner. Antiviruses are installed in almost all the network-connected computers to protect the external threats of Viruses.
- ❖ Installation of anti-virus, formatting of software, hardware replacement, maintenance of printer, scanner etc as well as newly installed computers is undertaken yearly and come under Annual Maintenance Cost (AMC).
- ❖ The institution ICT teams and IQAC takes utmost care for updating and replacement of the IT tools whenever necessary.
- ❖ The programming & network management of the website is handled by the Northeast Infosys- a software company.
- ❖ The college also has an up to date user-friendly online admission portal embedded in the website.
- ❖ All relevant data of the bona-fide students are electronically stored. Besides, the college has an outsourced user-friendly online feedback mechanism for the students, teachers, alumni, and parents to evaluate programme & course outcomes. An app named E-Samadhan was launched for registering different issues and feedback.
