Online Essay writing Competition

Date: 14.08.2022.

Time: 2 PM

Under the Aegis of Ministry of Education, New Delhi and IIC-JKM, to celebrate "Azadi ka Amrut Mahotsav", India @ 75

In Celebrating 75th year of Independence Day of India or Azadi ka Amrut Mahotsav, IIC-JKM of Jorhat Kendriya Mahavidyalaya, under the chairmanship of the Principal of the College, Dr. Dulen Saikia organized an online Essay Writing Competition among students on 14 August 2022. The themes of the competitions were as follows:

1. Role of Assam in the National Freedom Movement
2. Fundamental Rights of Indian Citizens.

Although the College was on semester break and students had only just finished their examinations, twelve (12) participants took part in the competition. Essays were permitted to be written in both the vernacular and the English language. Five participants used English as their medium of writing and six participants wrote in the Assamese language. Hence the essays were judged by two judges. Four prizes—two for essays written in Assamese and two for essays written in English

Celebration of National Innovation Day 2022

Jorhat Kendriya Mahavidyalaya celebrated National Innovation Day/ World Students day on 15th Oct 2022. The Programme was organized by IIC and IQAC of the College. On this occasion an inter-department quiz competition was organised to create awareness for innovation and motivate students to create enduring products for future generation. In the beginning of the event inaugural speech was given by Dr Dulen Saikia, Principal and chairman of IIC. He gave a valuable speech on the occasion of National Innovation day and Dr A.P.J. Kalam's contribution towards the technological innovation. Dr Dandeswar Dutta, Rtd. Scientist of Rain Forest Research Institute gave in his speech about the life of Bharat Ratna Dr A.P.J. Kalam and his contribution to India's technological development.

There was fourteen number of teams comprising five members in each team participated in the quiz competition. The quiz was unique in itself because it was held on audio-visual platform. The quiz Competition was conducted by Dr Ananta Tamuli, Binod Hazarika and Dr Panchali Karmakar.

REPORT ON

"National Energy Conservation Day (India) 2022"

Talk delivered on:

"India's contribution to energy conservation & innovative steps taken towards becoming an energy-efficient nation".

Speaker of the Event : - Dr. Dulen Saikia, Principal Jorhat Kendriya Mahavidyalaya

Organiser: IIC, IQAC, Department of PHYSICS & Community College, Jorhat Kendriya Mahavidyalaya.

Date- 14th December, 2022

Venue: Academic Conference Hall, Jorhat Kendriya Mahavidyalaya

Total No of participant: 80(eighty)

I.I.C, Jorhat Kendriya Mahavidyalaya celebrate National Energy Conservation Day (India) 2022 at the college premises. The event was anchored by Mrs. Pinaki Hazarika (HoD, Department of Botany, JKM) by introducing the following dignitaries Dr. Dulen Saikia (Principal, JKM), Dr. Bornali Saikia (VP, JKM), Mrs. Ely Phukan (AVP, Science Stream), Mrs. Nibedita Baruah (Associate AVP, Arts), Mr. Rajib Bordoloi (Associate AVP, Science).

Dr Dulen Saikia, Principal Jorhat Kendriya Mahavidyalaya deliver a Talk on "India's Contribution to Energy Conservation & Innovative Steps Taken Towards Becoming an Energy-Efficient Nation". He mentioned about the National Energy Conservation day and its significance of celebration in India. He also pointed out 1st Celebration on 14th Dec, 1991. He requested all to be a responsible one for the nation and society to conserve energy. He requested all the students present on the occasion to popularize the celebration globally to highlight awareness efficiency of energy. He says "We can't survive without light and heat, for which only the source is energy. For next generation what we will leave?". Dr. Saikia also pointed out on Energy poverty and Fuel poverty of the nation too. Government of India launched an Act on Energy conservation in the year 2001. Sir told that how we can save the energy by using latest techniques as recycling of Aluminium cans, etc. Dr. Saikia Sir also differentiated about the efficiency and conservation of energy, told about the energy efficient building which has so many benefits for us. Sir said about the journey of India so far regarding energy conservation from 2001 to 2016. India is the 3rd largest energy producing country and 24% of budget is used in power sector, 75% of water of the world is used to produce energy. That means by saving energy we can save drinking water also and reduce

pollution by minimizing energy poverty and fuel poverty. These are the part of the society and also the distinctiveness of the college. If we will not save the energy then what will be the future prospects of the world as scarcity of water, etc. With these valuable and innovative words sir thanks to all.

Dr. Dulen Saikia Principal JKM releases sticker on energy conservation as a best practice of the college on the occasion. Stickers were distributed to near-by schools (Rebakanta High School, Sarojoni Devi High School etc) Students, faculty members and all the stake holders of the college fraternity. The move, aimed at spreading awareness about the importance of "Conservation of Energy".

At the end of the session Ms. Dimply Borah (Department of Botany, JKM) delivered the vote of thanks to principal sir for his valuable speech and the students of the college and the teachers for their presence in the event. She also extended thanks to the convener IIC, IIC-Members, IQAC, Department of Physics and Community College for conducting such a fruitful event in the college.

G-20/Y-20: Pre events for India Summit-2023

Organized by IQAC & IIC, JKM in Association with Jorhat District Administration & public Health & Engineering Department, Jorhat

Date: 30-01-2023 & 01-02-2023

IQAC & Incubation Innovation Centre, Jorhat Kendriya Mahavidyalaya in association with Jorhat District Administration & Public Health & Engineering Department, Jorhat, Assam, organized a District Level Oratory Skill Competition for Bringing up Youth Leaders for the Y-20 summit at State and National Level, on 30th Jan, 2023 at Jorhat Kendriya Mahavidyalaya. The event began with an inaugural session which was graced by distinguished guests and academicians from different discipline. The inaugural session was initiated by Mrs. Ratnamoni Dutta, Assistant Professor, Department of English with a warm speech. The programme was **Chaired by Dr. Dulen Saikia, Principal of the Institution** who welcomed all the distinguished guests, professors, the judges of the Oratory Skill Competition and all other attendees to show his gratitude towards the guest for making an effort to attend the event. Respected Principal Also delivered a special talk on the topic "Future of work: Industry 4.0, Innovation and 21st century Skills". The inaugural speech was delivered by **Sjt. Ashok Kr. Barman, honorable Deputy Commissioner, Jorhat** wherein he addressed the students of Assam as the most talented individual and Jorhat Kendriya Mahavidyalaya as among the best college in entire Assam. He also pointed out the importance of "Positive Focus" among every student and how the youth can contribute to the society. According to him "Ego" should not be there in order to learn something and they should reduce their dependency over their parents and should try to be self employed. The main aim of his speech was to make us understand about how the youth power can be converted in to the resource of India. **Sjt. Bhaskar Jyoti Sharma, Executive Engineer PHE Jorhat** was present as the speaker and he presented his speech on "National Water Mission". The programme was graced by 200 attendees.

Objective of the Programme: The youth are the catalysts of change and empowering them can lead to widespread change at the grassroots level as is evidenced by the success of the various public private partnership initiatives. The youth of a nation is brimming with untapped potential that can be polished and utilized to bring in advancements in every sphere. The only way that leads to enlightenment amid youth is the allotment of duties in conjunction with their potential. This approach will surely drive them to consistently deliver progressive results for the betterment of the country. The creative potential of the younger generation coupled with their zeal, enthusiasm, energy and versatility can work wonders for the country. Young people contribute their part in every field and are working really hard in the field of technology, administration, business as well as sports and are daily coming up with innovations and technologies to change the world. Hence for the development of a nation, the contribution of youth is a must.

Specific Talk on: National Water Mission

Speaker: Sjt. Bhaskar Jyoti Sharma, Executive Engineer PHE Jorhat.

Mr. Sharma presented a specific talk on National water Mission. National Water Mission is a national initiative in India that aims to conserve, protect and manage the country's water resources. He focused on improving water use efficiency, promoting integrated water resource management, augmenting water supply and promoting conservation and management of water resources. He talked about the aim of NWM which refers to the increase of water use efficiency by creating water storage capacity and implementing river linking projects and also introduced the **5 important goals of NWM**:

comprehensive water data base in public domain and assessment of the impact of climate change on water resource.

Promotion of citizen and state action for water conservation, augmentation and preservation.

Focused attention to vulnerable areas including over exploited areas.

improving water use efficiency by 20%.

promotion of basin level integrated water resources management.

He addressed the initiative taken by Govt. of India, the Jorhat District Administration & PHE Department for conservation of water. He urged for introduction of vocational courses, skill development courses in educational institutions, which focuses on specific sectoral needs and promoting self employment in different sectors. He ended his speech with the quotation of Franklin D. Roosevelt- "We cannot always build the future for our youth, But we can build our youth for the future."

Talk on Future of Work: Industry 4.0, Innovation & 21st Century Skills

Speaker: Dr. Dulen Saikia,

Principal, Jorhat Kendriya Mahavidyalaya.

Time: 12.40 p.m

Dr. Saikia started his speech with the quotation of World Economic Forum i.e.- "We stand on the brink of a technological revolution that will fundamentally alter the way we live, work and relate to one another in its scale, scope and complexity, the transformation will be unlike anything humankind has experienced before." He provided an audiovisual demonstration over 16 inch Rollble OLED Display, The Protean 360 degrees steering technology etc. He Talked over the 4 industrial revolution from 1760 to 1840 and also the 21st century's skill. He used the quotation given by Peter Druckes, "the only skill that will be important in the 21st century is the skill of learning new skills."

He showed the 21st century skills in three different sections. They are-

| Learning Skill | Literacy Skill | Life Skill |
|--|--|--|
| <ul style="list-style-type: none">•Critical thinking•Creativity•Collaboration•Communication | <ul style="list-style-type: none">•Information•Media Literacy•Technological Literacy | <ul style="list-style-type: none">•Flexibility•Initiative•Productivity•Social |

He also talked about Internet of things, its applications, Smart Egg Tray etc. All explanations given by him proved that he is a **Mastermind of Science**. The Inaugural session was ended with the Vote of Thanks given by Mr. Pranjal Dutta, Co-ordinator, IQAC, Jorhat Kendriya Mahavidyalaya.

National Science Day

Organized by Science and Technology Forum in collaboration with IQAC & IIC, JKM
Date: 28-02-2023

Report on Celebration of National Science Day

The National Science day was celebrated by the Science stream of Jorhat Kendriya Mahavidyalaya in association with IIC & IQAC, JKM on 28th February, 2023. On that special occasion, two groups of school students were invited to the college to visit the science laboratories with a view to extend the laboratory knowledge among the students of the schools of nearby area as well as to increase their interest in the field of science. At about 9:15 am, the first group of around 40 students from Kenduguri Jatiya Vidyalaya reached college. They were then escorted and hosted by the students of Jorhat Kendriya Mahavidyalaya to the different departmental laboratories of the college. In the departmental laboratories, the students of Jorhat Kendriya Mahavidyalaya nicely demonstrated various experiments and equipments to them. The students also visited the Botanical Garden, Biogas Production unit, Vermicompost Production Unit, Dubori Greenhouse Nursery and the solar carousel unit of the college. The next team was from Sarojini Devi High School, Kenduguri, Jorhat along with their respective teachers. Both the team of students and their teachers highly appreciated the programme.

At about 12 pm, a meeting was held in the college auditorium in the presence of Dr Dulen Saikia, Principal, Jorhat Kendriya Mahavidyalaya. Dr. Gopal Hazarika, member, Governing body, JKM and Mrs. Ranjumoni Saikia, Vice – Principal, JKM. The meeting was hosted by Mrs. Ely Phukan, Academic vice Principal, Science stream. At about 12:15 pm, the lighting of the lamp was done by all the respected dignitaries present in the stage. After a warm welcome speech delivered by Mrs Ely Phukan, she requested the respective colleagues to felicitate the dignitaries present there. After the felicitation programme, Dr. Dulen Saikia, respected Principal of Jorhat Kendriya Mahavidyalaya delivered a talk on the Observation of National Science Day. In his Speech, he highlighted the contributions of C.V Raman to the world of Science as well as the contribution of Indian Scientists in the discovery of 'Raman Effect'. He also mentioned about the use of Science and Technology in agriculture as well as in other day to day fields. His lecture was quite interesting and fruitful one. On that special occasion, the annual newsletter of the college was also released. A Poster competition was also organized on the occasion of National Science Day in the college.

Mrs. Pinaki Hazarika, HOD, Department of Botany, Jorhat Kendriya Mahavidyalaya, offered the vote of thanks to all the dignitaries, faculty members and participants present there.

With this, the celebration of National Science Day comes to an end at about 2:30 pm.

students to share information with those who also carry a passion in their hearts to join Indian Army. Just the armies on land, the armies on air, the airforce is also an integral part of the nation. To join the airforce one must clear the NDA exam after the 12th standard. He shared the website address with students: careerairforce.nic.in. After graduation one can join as an officer. Sir has also added that if one joins NCC, he/she can feel a change in his/her entire personality. Sir has also requested Principal Sir of JKM to encourage Degree 1st year students to join NCC. He also added, if a student joins the airwing of NCC he can fly fighters and do mountaineering. Sir has delivered that if one chooses to join NCC, he will have opportunities in almost every area. He summed up his lecture by saying that there can have another such session and some psychological tests for interested students who are interested in the SSB exam. The vote of thanks was delivered by Ratnamoni Dutta Ma'am and declared the dismissal of the insightful session at around 12 O'clock.

National Technology Day

Organized by IIC, JKM

Date: 11-05-2023

inaugural speech was given by Dr Dulen Saikia, Principal and chairman of IIC. He gave a valuable speech on the occasion of National Technology Day and talked about the different milestone on technological innovation. He highlighted the various stages of technological innovation and explains the Artificial Intelligence, Machine Learning, Robotic Process Automation, Quantum Computing etc.

Dr Dandeswar Dutta, Rtd. Scientist of Rain Forest Research Institute, Jorhat was also present as invited speaker who delivered a speech on the innovation related to Bio- technological development in India. He explained the role of bio-technology in improving human health by producing enriched nutrients in food products such as golden rice, maize, groundnuts, soybean etc.

National Technology Day

Organized by IIC, JKM

Date: 11-05-2023

Outcomes of the Programme: The programme was attended by around 120 students from the College and nearby schools and 40 faculty members and three external members of IIC.

It was very informative and knowledge enriching programme for the students. Audio-Visual platform based lectures delivered by the invited speakers provided better experience and information about the science and technology innovation to the participants.

The programme was hosted by Dr Ananta Tamuli, Asstt. Professor, Deptt. Of Economics and joint Coordinator IIC.
