PURPOSE:

The main purpose behind Student Grievance Policy is to provide the students a medium through which they can raise complaints about matters or problems which may arise between them or with any of the teaching or non-teaching staff. The problems related to academics and extra-curricular activities are mostly taken into consideration by the concerned authority.

INTRODUCTION:

Our institute tries to ensure a peaceful and healthy environment wherein all the students can avail all the facilities and knowledge and can actively participate in the teaching-learning process. Therefore, timely management of disputes arising from the grievances raised by the students in any institute is very much needed.

The student grievance policy will accept any of the following types of grievances from the students:

- On any academic issues regarding classes, library facilities or any other related issues.
- Canteen facilities.
- Hostel facilities.
- Medical facilities.
- Sports facilities.
- Harassment issues
- Any other relevant issues.

However, appeals of admission procedures, individual percentage or grades, academic probation and/or suspension, attendance problems, administrative withdrawals, disciplinary issues, etc. shall not be considered under the Student Grievance Policy unless illegal discrimination is alleged. Students may directly approach the college authority or may reach to committees concerned to place grievances related to admission, examination etc. For grievances related to attendance, student may approach the department concerned.

THE MECHANISM:

Students may submit their grievances by using any of the following provisions or mechanisms:

- Application to Principal in Hard copy:** Students can submit their grievances in written form. They can simply write an application addressing the authority narrating their issues in hard copy.
- Through Complaint Box:** Students can also drop their grievances anonymously in the 'Grievance Box, JKM' situated at the entrance of the administrative building.
- Through Email:** They can also send their grievances by writing an email narrating their issues and sending it to.
- Through Jorhat Kendriya Mahavidyalaya Website Portal:** Students can submit their complaints in the college website. This facility has been provided since 2022 for the betterment of the students and the e-governance cell.

The Cell comprises of a committee approved by the Governing body of the college. Grievances received from the students via online and offline medium are accepted on any working day by the concerned authority.

MONITORING:

The Students' Grievance Redressal Cell keeps a constant check on the grievance redressal mechanism. The cell organises an orientation programme at the beginning of every semester to explain the grievance mechanism to the students.
