AGREEMENT OF ANNUALLY MAINTENANCE CONTACT (LIBRARY NETWORK SYSTEM)

This agreement is made at Jorhat on this day the 15th March, 2021 between Amarjit Konwar , Sivasagar (herein after called the First party) of the one part and the principal, Jorhat Kendriya Mahavidyalaya, Jorhat (herein after called the Second party) of the other part.

The first party will bound to come and render services to library network –

1. LAN & Wifi connectivity.
2. Software and Hardware Maintenance of the Server computer and Associate computers.
3. House Keeping operations of the library under SOUL such as
   a) Cataloguing
   b) Classification
   c) Membership
   d) Transaction
   e) OPAC etc.
4. Internet Service

Whenever services are required and asked by the first party or any person authorized by first party, the first party will render the services only and not the parts required for maintenance of the library network.

Second party is fixing an amount of Rs. 16000 per year as A.M.C. cost for library network (enlisted above) but the release of the amount will depend on requirement and quantum of works. The payment will be made after end of each year.

That the first party fails to render services after getting proper information regarding any faulty of library networking then the second party will impose penalty.

POLICY ON E-GOVERNANCE

Jorhat Kendriya Mahavidyalaya
IQAC, Jorhat Kendriya Mahavidyalaya

Pranjal Dutta
Coordinator, IQAC

Dr. Dulen Saikia
Principal

Policy Statement:

Technology has become a part of our daily life. For most of us, mobile is the first thing they need as soon as they get up. Technology has its presence in all aspects of our life. We can say that we are living in a technology era and it has made everything easy for us. In today's internet's time, we can talk to someone who in another corner for the world and we can send an e-mail in just a few seconds. Technology and the internet have made the money transitions secure, fast and free from much human interference. The process of globalization is a gift of technology and due to the technology and its benefits, the concept of E governance is introduced in India. The 'E' in E-governance signifies electronic and E-governance means the governance with Information technology. The increasing demand for transparency in administration, faster information transfer and other demands that can be fulfilled by the E-governance only pushed the Jorhat Kendriya Mahavidyalaya to choose E-governance. Jorhat Kendriya Mahavidyalaya has designed an E-Governance Policy with the primary objective of implementing e-governance in various operations, transactions and services of the institution for better efficiency, transparency and accountability

Scope:

- General Administration
- Student Admission
- Examination
- Library
- Accounts and Finance
- ICT Infrastructure
- E-waste Management

Objectives:

- Implementation of E-governance in various functioning of the institution
- Achieving efficiency in our functioning
- Promoting transparency and accountability
- Achieving paperless administration of the institution
- Facilitating online internal and external communication between various entities of the institution
- Providing easy access to information
- Making the institution visible globally

Action Plan:

In order to provide simpler and efficient system of governance within the institution, it is decided to adopt and implement e-governance in maximum activities of our functioning. The institution has already started with e-governance in some aspects of functioning like library, accounts, etc. But, now we have resolved to implement e-governance in many more areas and with this aim in view we have drafted this policy framework

- Modifying the College website making more user-friendly and function-oriented.
- E-governance in administration
- E-governance in finance and accounts
- E-governance in students admission and support
- Developing ICT enabled smart classroom
- Developing Wi-Fi campus
- Digital/online academic transaction
- Developing digital/automated library

Pranjal Dutta
Coordinator, IQAC

Dr. Dulen Saikia
Principal

Administration:

- The college authorities can implement full supervision of all service units in the office through the ERP software.
- The Administration communicates with Governing Body members as well as the teaching andnon-teaching staff through whatsapp
- All important administrative information including notices is regularly published on the website.
- Biometric attendance for all staff members
- Fully automated, wireless office with 24x7 internet facility

To achieve the target of Paperless IQAC , committee members of it started using Google facilities like

- **Google sheet : For data collection from Various Departments**
- **Google Docs: To prepare notices and activity reports.**
- **Google Forms: To prepare Feedback forms and get online feedbacks of Students,Parents.**
- The college campus is equipped with CCTV Cameras installed at various places of need
- ICT has been introduced in the Administrative work.
- WhatsApp Group helps to provide the brief notices of any event to be happened on college.
- WhatsApp Groups are also used for awareness and of smooth functioning of the same.

College website-The Information Tank of The College

Pranjal Dutta
Coordinator, IQAC

Dr. Dulen Saikia
Principal

Student Admission and Support:

- Students' admission will be done online using ERP mechanism of affiliating university.
- The system will be developed to provide ERP to manage all students' data including course, fee submission.
- College website will be updated regularly for real time information sharing/ dissemination, including admission and online transaction interfaces etc.
- Timely update of website will be made by the designated information and website committee.
- Regular updates on alumni profile will be made for information of passed out students

Digital brochure, video teaser, social media posts on course details, sanctioned intake, placements, and other facilities will be displayed during admission time

- **Online Admission through College Website**
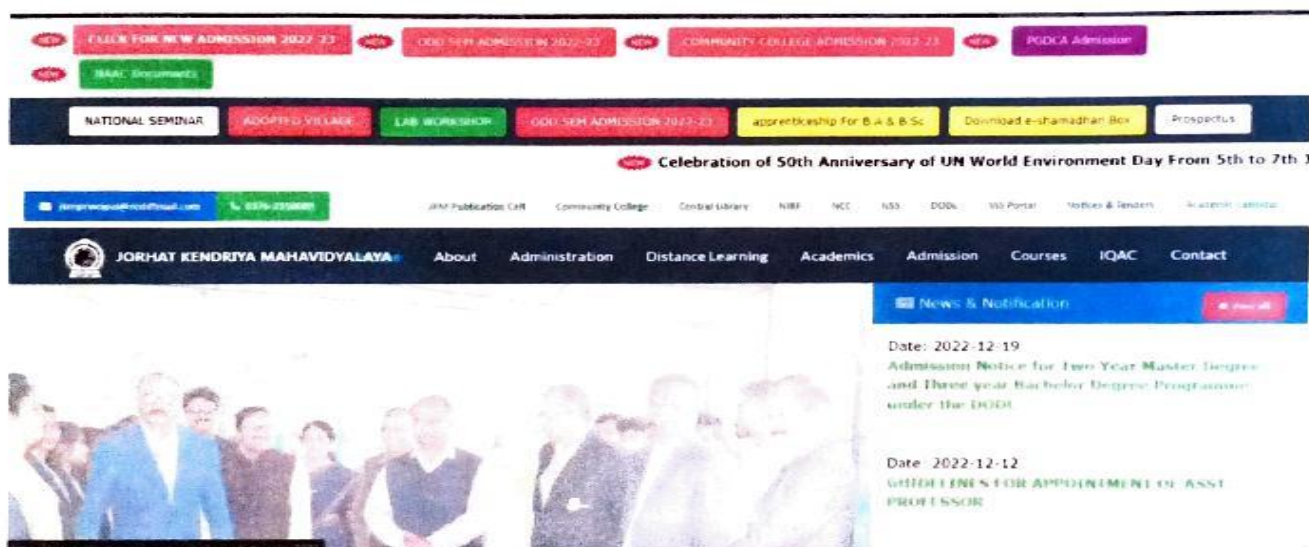

Holistic Development:

- E-governance provisions will be used in all the activities of IQAC and the Cells and Committees under it.
- Feedback from students, teaching staff, non-teaching staff, guardians of students, alumni, employer will be collected online and the same will be compiled and analysed using ICT tools.
- Online provisions will be used to increase the competitive zeal of the students; to orient students with different issues of the society; increasing capability of the students and increasing their out orientation.
- Online provisions will be used to accomplish teachers and students exchange programmes.
- Increasing students participation through organizing online seminar, workshop and the likes.
  - Microsoft Team
  - Google Meet and Google Classroom

Pranjal Dutta
Coordinator, IQAC

Dr. Dulen Saikia
Principal

Alumni:

To get touch in the alumni ,our institution tried to work through the google form

Community College:

In order to strengthen our community college, a separate community college to be created on the website providing facilities like registration, prominent community college of the college, feedback and many other aspects.

ICT Based Tools:

- The College will ensure that it has adequate number of desktops and laptops for students and staff.
- Computers and printers will be made available in the administrative office, departments and library.
- Projectors and other multimedia devices will be provided in class room, conference rooms, auditorium and laboratories.
- The infrastructure will be complemented by computer networking devices, scanners, photocopy machine and interactive teaching board/smart board etc.
