

OVERARCHING DEVELOPMENT WITH SPECIAL EMPHASIS ON WOMEN FROM RURAL AREAS-

Jorhat Kendriya Mahavidyalaya is dedicated towards not only providing quality education to the students, but also towards creating an environment in the college which gives them a provision to pursue other courses besides their regular, traditional courses. True to this vision, Jorhat Kendriya Mahavidyalaya is the **single Nodal Centre for virtual lab of the entire North-East India which is a Ministry of Education recognized Centre under Amrita University.**

In addition to this, our college extends the **consultancy services of green audit and energy audit** to different colleges from time to time. Out of the 7 colleges that were audited, CKB College, Teok recently secured A+ grade in the NAAC assessment.

An **“Incubation and Innovation Cell”** was formed in the college on 28th April, 2021 with an aim to create an **innovative and entrepreneurial environment** in the college for the students. The college has taken various initiatives to ensure that the students, especially the girls, get an opportunity to learn additional subjects which will also benefit them in their future endeavours and help them become financially independent. Such steps taken by the college helps the students to develop professional skills.

Some of the initiatives taken by the college are listed below-

- **NODAL VIRTUAL LAB-** The virtual lab initiative was started in the college on **27th July, 2021** with an attempt to carry out laboratory classes virtually on a screen so that the students do not miss out on developing their practical skills during the covid pandemic.

Dear Sir/Madam,

Greetings from Amrita Virtual Labs!

Thanks for your interest.

This is to inform you that your institute " **Jorhat Kendriya Mahavidyalaya, Assam**" has been selected for Virtua Lab nodal centre program (Nodal coordinators are **Mr. Binod Kumar Hazarika** and **Mrs. Pinaki Hazarika**). Institute name will be displayed on the [Amrita virtual lab website](#) as well as the [main website](#), upon using the virtual lab.

Kindly share the hard-copy of the documents to the address mentioned below.

VALUE Virtual Labs
First Floor-Amrita School of Business
Amrita Vishwa Vidyapeetham
Amritapuri, Kollam, Kerala -690 525

You can submit a list of prospective virtual lab users (students and faculties) in the prescribed format (click here/ refer the attachment) for receiving unique login IDs for accessing virtual labs.

Workshop and hands-on training program: As part of virtual lab outreach activities, Amrita virtual lab team conducts (offline /online) hands-on training for new users at free of cost.

Here are the procedures for conducting a workshop.

- A nodal centre has to organize the Workshop at their institute.
- The nodal centre has to share the workshop request on their college letterhead.
- The number of participants must be above 50 (including faculty members and students).

Facilitating condition for offline workshop

- Computer lab facility with an internet connection should be available for the hands-on session (each participant can access individual computer).
- Projector/screen, mike and speakers – For the presentation and demonstration of the virtual lab.

Note: TA, local transportation and accommodation have to provide for the VALUE team for the offline workshop.

Feel free to contact us for any queries.

- **FORMATION OF INCUBATION AND INNOVATION CELL (IIC)-** An “Incubation and Innovation Cell” was formed in the college on 28th April, 2021 which conducts various talks on entrepreneurship to educate the students about the concept of “startups” which will help them to not limit themselves to the concept of pursuing jobs.
 - The IIC, Jorhat Kendriya Mahavidyalaya team helped the team that came from Dr Nabin Bordoloi College, Cinamora College, Sarbodaya College, Borhola College, Nakachari College, Bahona Boys’ H.S. School, Cinamora H.S. School and Jorhat Govt. Girls’ H.S. School to register their Institution in IIC, MoE, Govt. of India.
 - The **IIC, JKM secured 2 stars** by Innovation Cell, MoE, Govt. of India.
 - The team of IIC, JKM secured the **3rd position in a poster competition held at IIC Regional Meet** at Royal Global University, 2022.
- **ADD ON CERTIFICATE COURSES-** The college has started a total number of 8 add on courses for the students since the session 2021-22. Since the college has a lot of students coming from rural areas with poor financial background, these courses mould the students with employable skills which help them to secure jobs in the future.

The list of the courses currently going on in the college are given below-

The college also tries to make education accessible for the students from rural areas, especially the girls who are unable to physically attend a college due to unavoidable circumstances.

Considering the fact that most of the students of the college come from rural and financially backward areas, some of the steps taken by the college to help them receive education are-

- **SCHOLARSHIPS & CONCESSION OF FEES-** The institute provides various scholarships to meritorious students every year. Different departments also confer scholarships and memorial awards upon the deserving students.
Also, for the students from “below poverty line” category, there is concession of fees which lessens their burden of money.
- **HOSTEL FACILITIES FOR THE GIRLS-** Since many female students come from far away villages with little to no means of travel, the college has made the provision for a girls’ hostel with minimal fees so that the students do not have to miss the classes.
- **VARIOUS COMMITTEES-** For the safety and security of the students in the campus, there are various committees which ensures that the environment is free of any form of toxicity.
