CRITERION- 7

INSTITUTIONAL Distinctiveness

7.3.1 Portray the performance of the Institution in one area distinctive to its priority.

Jorhat Kendriya Mahavidyalaya is dedicated towards not only providing quality education to the students, but also towards creating an environment in the college which gives them a provision to pursue other courses besides their regular, traditional courses. True to this vision, Jorhat Kendriya Mahavidyalaya is the **single Nodal Centre for virtual lab of the entire North-East India which is a Ministry of Education recognized Centre under Amrita University.**

In addition to this, our college extends the **consultancy services of green audit and energy audit** to different colleges from time to time. Out of the 7 colleges that were audited, CKB College, Teok recently secured A+ grade in the NAAC assessment.

An **“Incubation and Innovation Cell”** was formed in the college on 28th April, 2021 with an aim to create an **innovative and entrepreneurial environment** in the college for the students.

The college also tries to make education accessible for the students from rural areas, especially the girls who are unable to physically attend a college due to unavoidable circumstances.

The college provides various additional courses like add-on courses, skill-based courses, etc. to broaden the options for future endeavors for the students.

Dear Sir/Madam,

With reference to the Expression of Interest for virtual lab nodal centre from **Jorhat Kendriya Mahavidyalaya**, it gives us immense pleasure to designate your institute as a Nodal Center for Virtual Labs. Mr. Binod Kumar Hazarika has been nominated as the nodal coordinator from your institute. This approval is valid up to 31st December 2023 and is subjected to terms and conditions attached and any subsequent directives as issued by MoE.

We thank you again for your interest in virtual lab project and appreciate your endeavour in the service of students community. Wishing you all the best!

ACKNOWLEDGEMENT

At first, we would like to thank Cinnamara College, Jorhat management for their cooperation that was extended to us during the entire process.

Our special thanks goes to Dr. Anjan Saikia, Principal, Cinnamara College, Jorhat for giving us necessary inputs to carry out this vital exercise of Green Audit. We are also thankful to other staff members who were actively involved while collecting the data and conducting field measurements.

INTRODUCTION:

Green audit is also widely known as Environmental Audit. Green Audit can be better understood as: Compliance of Environmental Laws, Audit of Environment Cost and Environment Impact Assessment, and Carbon Credit. We believe that saving 'Mother Earth' is an integral part of education and that the carbon footprint left by the college is to be reduced by sustainable steps and an environment friendly model of administration. Green audit is a valuable means for a college to determine how and where they are using the most energy or water or other resources; the college can then consider how to implement changes and make savings. It can create health consciousness and promote environmental awareness, values and ethics. It provides staff and students better understanding of Green impact on campus. Institutional self-enquiry is a natural and necessary outgrowth of a quality educational institution. As environmental sustainability is becoming an increasingly important issue for the nation, the role of higher educational institutions in relation to environmental sustainability is more prevalent.

In recent time, the Green audit of an institution has been becoming important for self assessment of the institution which reflects the role of the institution in mitigating the present environmental problems. Many institutions undertake lots of good measures to resolve these problems but are not documented due to lack of green documentation awareness. All this non-scholastic efforts of the administrations play an important role in ensuring the green quotient of the campus is intact. Therefore, the purpose of the present green audit is to identify, quantify, describe and prioritize framework of Environment Sustainability in compliance with the applicable regulations, policies and standards.

OBJECTIVES:

The main objectives of carrying out Green Audit are:

- To map the Geographical Location of the college.
- To document the floral and faunal diversity of the college.
- To record the meteorological parameter of Cinnamara region where college is situated.
- To document the ambient environmental condition of weather, air, and noise of the college
- To document the waste disposal system.

OBSERVATIONS:

TREE DIVERSITY OF CINNAMARA COLLEGE, JORHAT:

Cinnamara College, Jorhat is located at Jorhat about 12 kms away from Jorhat district Head –Quarter . It is the only higher educational institution in Jorhat a place having its own historical importance from Ahom rule onwards.

The college campus is surrounded by lush green paddy fields. The transportation system leading to the college is very good . It is worth-mentioning that the college is fully equipped with well-furnished buildings and a big playground with necessary civic amenities. The college possesses a plantation area which has a great diversity of tree species performing a variety of functions. Most of these tree species are planted in different periods of time through various plantation programmes organized by the college authority and have become an integral part of the college. The trees of the college are prominent features that are planted to maintain the greenery and aesthetic values, store carbon and stabilize the soil. Many species of birds are dependent on these trees mainly for food and shelter. Nectar of flowers and plants is a favourite of birds and many insects. Leaf – covered branches keep many animals, such as birds and squirrels, out of reach of predators. Different species display a seemingly endless variety of shapes, forms, texture and vibrant colours. Even individual trees vary their appearance throughout the course of the year as the seasons change. They also remind us the glorious history of our institution in particular. We often make an emotional connection with these trees and sometime become personally attached to the ones that we see every day. A thick belt of large shady trees in the periphery of the college have found to be bringing down noise and cut down dust and storms. Thus, the college has been playing a significant role in maintaining the environment of the entire surrounding areas. The following are the tree species with whom we are being attached--

Preface

Data collection for energy audit of the Jorhat Kendriya Mahavidyalaya, Kenduguri Jorhat was conceded by team for the period of March 2021 to February 2022

This audit was over sighted to inquire about convenience to progress the energy competence of the campus. Energy audit survey was completed by B.Sc. Physics students under the guidance of their faculty members. All data collected from each classroom, laboratory, every room. The work is completed by considering how many tubes, fan, A.C, electronic instruments, etc. in each room. How much was participation of each component in total electricity consumption.

We really appreciate the effort put by college management for creating awareness of Energy Audit, use renewable energy such as solar energy and their significance use for efficient energy saving and our nature among the all of us. We really appreciate Hon. Management of the college for encouraging us by providing this wonderful opportunity to do the energy audit. Through this, we have been cleared the vision of Institution towards the Green campus and save our green nature. We really appreciate to develop good quality weather station in house of the college.

Energy Consumption Profile

A. Source of Energy:

- Electricity from Assam Power Distribution Company Limited**
- High Speed Diesel Generator (HSDG):**
HSD is used as a fuel for Diesel Generator which is run whenever power supply from APDCL is not available.
There is one number of DG set which is dedicated to supply power to entire campus.
The salient technical specifications are as follows:

Company	Mahindra
Model no	4905GM
Machine no	JP-12-K-1123
KVA	62.5
KW	50
Voltage	415v
Current	87amp
Power factor	0.8

c. Solar Energy

There is a Solar Photovoltaic unit for power generation with a capacity of 2.16 Killowatt.

Principal

Jorhat Kendriya Mahavidyalaya

Kenduguri, Jorhat-785010 (Assam)

Affiliated by Dibrugarh University

Conclusion: Variation of PF

The Power Factor to reduce the utility power bill. Most utility bills are influenced by KVAR usage. A good Power Factor provides a better voltage. Reducing the pressure on electrical distribution network. Reducing cable heating, cable over loading and cable losses. Reducing over loadings of control gears and switch-gears etc.

Whenever the average power factor over a billing cycle or a month, whichever is lower, of a higher tension consumer is below 90%, Penal charges shall be levied to the consumer at the rate of 2 % (two %) of the amount of monthly energy bill (excluding of Demand Charges, FOCA, Electricity Duty and Regulatory Liability Charge etc.)

For power factor of 0.99, the effective incentive will amount to 5% (five percent) reduction in the energy bill and for unity power factor; the effective incentive will amount to 7% (seven percent) reduction in the energy bill

Study of Month wise Electricity Bill Variation:

Table No 4.2 Variation in Electricity Bill

Sr. No.	Month	Electricity Bill Amount(Rs.)
1	April 21	28178.00
2	May 21	5375.00
3	June 21	5697.00
4	July 21	6789.00
5	July 21 (bill due to construction under PWD)	32548.00
6	August 21	9703.00
7	September 21	12459.00
8	October 21	7699.00
9	November 21	13285.00
10	December 21	9967.00
11	January 22	8731.00
12	March 22	14409.00
Total Annual Bill =		154840.00

Energy Conservation Proposals

Providing Energy Saver Circuit to the Air Conditioners:

The energy saver circuits for the air conditioners, intelligently reduces the operating hours of the compressors either by timing or temperature difference logic without affecting the human comfort. This can save around 15% to 30% of the electricity depending on the weather conditions and temperature settings.

Replacing Fluorescent Tube Lights (FTL) with LED Tube Lights

The 315 W FTLs can be replaced with the LED tube lights 16 W. These changes can be made at the places where the life is higher. Usually minimum of 3 years warranty is given and approximate burning hours is 40 000. (15 years considering 8 hours per day running)

ADD ON COURSES

OFFICE OF THE REGISTRAR :: DIBRUGARH UNIVERSITY :: DIBRUGARH
Ref. No. DU/DR-A/6-1/22/417

Date: 20/4/2022

NOTIFICATION

Under Report to the Under Graduate Board and Academic Council, Dibrugarh University, the Hon'ble Vice Chancellor i/c, Dibrugarh University is pleased to approve the following subjects as Add-on-Courses to be offered by Jorhat Kendriya Mahavidyalaya, Jorhat w.e.f. the Academic Session 2021-2022.

Sl No	Title of the Add-on-course	Duration	Department
1	LED bulb repairing technician	3 months	Physics Department in collaboration with Community College.
2	Vermi-compost Production Training Course	3 months	Zoology Department in collaboration with Community College.
3	Soft Skill Course	3 months	English & Assamese.
4	Life Skill Course	3 months	Education & Sociology
5	Tea Processing with special emphasis on Green & Specialty Tea	3 months	Botany Department in collaboration with Community College.
6	Computer basics with special knowledge on MS office and Internet Susceptibility.	3 months	Computer Science
7	Sustainable Development of Solid Waste Management Course.	3 months	Chemistry
8	Certificate course in Bioinformatics.	6 months	Botany

Issued with due approval.

Three months add on certificate course on “LED bulb repairing technician” introduced by Physics Department, JKM in collaboration with Community College Jorhat Kendriya Mahavidyalaya.

Course Syllabus of Three month Add on certificate course on “LED bulb repairing technician” Total Credit: 9

Unit	Element	Topic	Credit
1.	Basics of Electronics and LED	<ol style="list-style-type: none">1. Differentiate between various electronic and electrical components, materials and their specific properties, types and usages.2. Differentiate between alternating current (AC) and direct current (DC).3. Identify the types of solder and flux List the function of the different.4. Components of a soldering iron. Identify the selection criteria of a suitable tip.5. Demonstrate the LED working principle List the parameters which affect the overall life of LED.6. Categorise LED into its various types such as indicator, illuminator and Chip on Board (COB).7. List the advantages of LED light products.8. List the basic parameters of LEDs and their importance in an LED products.9. Distinguish between the different types of power sources used in LED lighting and their characteristics.	3
2.	LED Luminary Repair and Assembly	<ol style="list-style-type: none">1. List the major components of an LED luminary such as LED light engine, LED Driver, LED heat sink and thermal pads.2. Identify the tools required for LED product assembly.3. List the materials used in LED product assembly.4. Demonstrate basic knowledge of assembly of products such as spot light, LED bulb and LED tube light.	2
3.	Safety Standards and Procedures	<ol style="list-style-type: none">1. Identify electrostatic discharge (ESD) causes and safety gear.2. Identify and implement safety rules and company policy on personal protective equipment (PPE).3. Use eye, respiratory and hearing protection as per company policy.	1
4.	Practical Classes	The Course contents given below	3

SYLLABUS FOR VERMI COMPOST PRODUCTION AND TRAINING

UNIT	ELEMENT	TOPIC	CREDIT
I	General: Vermiculture/ Vermicompost	1. Introduction, definition, meaning, history, economic importance	2
		2. Role in bio transformation, role as four r's of recycling: reduce, reuse, recycle, restore.	
		3. The matter and humus cycle, transformation process in organic matter.	
		4. Choosing the right worm. Useful species of earthworms. Local species of earthworms. Exotic species of earthworms.	
II	Earthworm Biology and Rearing	1. Key to identify the species of earthworms	2
		2. Biology of <i>Eisenia fetida</i> / <i>Eudrilus eugeniae</i> <ul style="list-style-type: none">Taxonomy, Anatomy, physiology and reproduction.Vital cycle: alimentation, fecundity, annual reproducer potential and limit factors (gases, diet, humidity, temperature, PH, light, and climatic factors).	
III	Vermicompost Technology (Methods and Products)	1. Small Scale Earthworm farming for home gardens - Earthworm compost for home gardens	2
		2. Conventional commercial composting - Earthworm Composting larger scale	
		3. Earthworm Farming (Vermiculture), Extraction (harvest), vermicompost harvesting, packaging and storage	
		4. Nutritional Composition of Vermicompost for plants, comparison with other Fertilizers	
		5. Verm wash collection, composition & use	
		6. Sickness and worm's enemies. Frequent problems. How to prevent and fix them. Complementary activities of auto evaluation.

PRACTICAL

Sl No.	Topic s	Credit
1.	Key to identify different types of earthworms	3
2.	Study of Systematic position, habit, habitat & External characters of <i>Eisenia fetida</i> / <i>Eudrilus eugeniae</i>	
3.	Comparison of morphology & life stages of <i>Eisenia fetida</i> & <i>Eudrilus eugeniae</i>	
4.	Study of Vermiculture, Vermi wash & Vermicompost equipments, devices	
5.	Preparation of vermi beds, maintenance of vermicompost & climatic conditions.	
6.	Harvesting, packaging, transport and storage of Vermicompost and separation

Certificate course in Soft Skills An initiative of dept. of English and Assamese

Course layout

Objective : This course aims at enhancing the skill of communication, and other soft skills like leadership, positive attitude, emotional intelligence, self motivation etc. for the development of personality as well as carrier development of the learner.

Duration – 3 months

Total credit – 09

Unit	Topic	Credit
1.	Introduction to Soft Skills; Aspects of soft skills; Effective communication skills; classification of communication, personality development;	1
2.	Haptics : The language of touch; listening skills; types of listening; effective listening.	1
3.	Letters; types of formal letters; Business letters: types; format and style; Effective resume.	1
4.	Report writing : types and strategies; proceeding writing	1
5.	Synopsis; Research paper; Project;	1
6.	Corporate writing: email, face book, whatsapp, twitter	1
7.	Preparation for personal interviews; speeches for various occasions; effective presentation.	1
8.	Practical: details of practicals are listed below	2

Details of Practical:

1. Group discussion.
2. Power point presentation on specific topics.
3. Demonstration of Listening Skill
4. Report writing & Conduction of meeting

Certificate course in Life skills

An initiative of Dept. of Education and Sociology

Course syllabus of three months Add on certificate course on Life skills

Total credit : 14

Unit	Topic	Credit
1.	1. Introduction to Life Skills and Life Skills Education 2. Conceptual Basis of Life Skills: Definition, Need and Significance 3. Evolution and Development of the concept of Life Skill Education	1
2.	1. Leadership skills, understanding leadership and its importance. 2. Traits and models of Leadership 3. Basic leadership skills.	1
3.	1. Effective use of social media, introduction to social media websites 2. Advantages of social media, Ethics and Etiquettes of social media 3. How to use google search better, effective use of social media.	1
4.	1. Social Influence Theory: Herbert Kelman 2. Core Life Skills: Social & Negotiation Skills 3. Self-esteem – Definition, Importance, how to build positive self-esteem	1
5.	1. Methods and Strategies for nurturing Self-awareness 2. Exploration: Johari Window, SWOT Analysis 3. Empathy: Sympathy, Empathy & Altruism	1
6.	1. Effective Communication: Assertiveness, Effective Listening, Negotiation Techniques & Process, Barriers of Communication, Presentation Skills. 2. Interpersonal Relationship: Definition, Factors Affecting Relationships 3. Thinking Skills: Critical Thinking: Analytical Thinking, Strategies to enhance Critical Thinking	1
7.	1. Creative Thinking: Out of the box thinking, stages of Creative Thinking, Factors hindering creative thinking, Characteristics of Creative thinkers 2. Problem Solving: Definition, Steps in Problem Solving 3. Decision Making: Definition, Informed Decision Making, Consequences of Decision making and Models of Decision	1
8.	1. Coping with Emotions: Basic Emotions, Models of Emotion 2. Coping with Stress: Definition, Types, Sources of Stress,	1

Three months Add on certificate course on "Tea Processing with special emphasis on Green and Specialty Tea" by Botany Department in collaboration with Community College Jorhat Kendriya Mahavidyalaya

Course Syllabus of Three months Add on certificate course on "Tea Processing with special emphasis on Green and Specialty Tea" Total Credit: 9

Unit	Element	Topic	Credit
1.	History and Scope of Tea	1. Tea Historical Background 2. Discovery of Assam tea plant and geographical distribution 3. Classification of tea 4. Cultivars of tea 5. Factors responsible for tea cultivation	1
2.	Tea soil and Integrated nutrient management	1. Composition and important physical and chemical properties 2. Mineral Nutrition in tea 2.1. Symptoms of nutrient deficiency and its correction 2.2. Organic matter management (FYM, Compost) 2.3. Important characteristics of NPK fertilizers, micronutrients, their nutrient content and calculation.	1
3.	Young tea management	1. Land preparation 2. Layout of the field 3. Bringing up of Young tea 4. Post care in the young tea plantation area.	1
4.	Integrated pest and disease management	1. Major diseases in tea and its impact on tea plants 2. Major pest in tea and its impact on tea plants. 3. Control measures of pest and diseases. 4. MRL problem in tea	1
5.	Physiology and Biochemistry of tea.	1. Growth behavior of tea 2. Physiological and biochemical attributes of tea plant 3. Source and sink relationship	1
6.	Manufacturing of tea	1. Tea chemistry 2. Tea manufacturing techniques 2.1. Different types of tea 2.2. Processing techniques of black tea (CTC and Orthodox) 2.3. Tea machineries 2.4. Blending 2.5. Care and handle of plucked tea leaves 2.6. Factory Hygiene 2.7. Tea quality and tea tasting	1

Six months Add on certificate course on "Bioinformatics" introduced by Botany Department, Jorhat Kendriya Mahavidyalaya

Course Syllabus

Total Credit: 18

Unit	Element	Topic	Credit
1.	Fundamentals of bioinformatics	1. Introduction 2. History and scope of bioinformatics. 3. Branches of Bioinformatics 4. Sources of information 5. Internet world wide web and web browsers 6. Genomics 7. Transcriptomics.	2
2.	Biological Databases	1. Introduction to Biological Databases 2. Classification of biological databases 3. Basic concepts of primary and secondary databases 4. Biological Database Retrieval System 5. Data mining and data mining tools (ENTREZ).	2
3.	Biological sequence database	1. National Center for Biotechnology Information (NCBI): Tools and Databases of NCBI, Database Retrieval Tool, Sequence Submission to NCBI. 2. EMBL Nucleotide Sequence Database (ENA): Introduction, Sequence Retrieval, Sequence Submission to EMBL, Sequence analysis tools. 3. DNA Data Bank of Japan (DDBJ): Introduction, Resources at DDBJ, Data Submission at DDBJ. 4. Swiss-Prot: Introduction and Salient Features. 5. Small molecule databases (Chemspider, Drug Bank, ZINC)	2
4.	Basic concept of Sequence Alignments	1. Introduction, Concept of Alignment 2. Pairwise sequence alignment (PSA) 3. Multiple Sequence Alignment (MSA), MSA by CLUSTALW 4. Methods of Sequence Alignment. 5. Tools of sequence alignment – FASTA and BLAST	2
5.	Phylogenetic analysis	1. Basic concept 2. Phylogenetic tree	2

Job Role: Vermicompost Producer (AGR/Q1203)

Batch start date: 31-03-2022

Trainees of the Programme:

1. Mr. Someswar Borah, Assistant Professor & HoD, Department of Zoology
2. Mr. Bhaskor Kolita, Assistant Professor Department of Botany

The Department of Botany and Zoology, Jorhat Kendriya Mahavidyalaya, are jointly undergoing the skill course programme of Vermicompost Producer under skill hub initiative. The course encompasses a training programme on production of vermicompost and a qualification pack of NSQF Level:4 issued by Agricultural Skill council of India. There are all together 32 numbers of students in the respective course in two batch.

The outcome of Training Programme-

1. Identify and arrange resources or inputs for vermicompost unit.(Selection of Correct species of earthworm site location for vermi-bed etc.)
2. Preparation of Vermicompost Unit using appropriate techniques.
3. Entrepreneurial activities for small vermicompost unit.
4. Practice health and safety at the work place,

The Department of Physics, Jorhat Kendriya Mahavidyalaya, is undergoing the skill course programme of LED LIGHT REPAIR TECHNICIAN under skill hub initiative. The course encompasses a training programme on LED light production and a qualification pack of NSQF Level:4 issued by Electronics Sector Skills Council Of India. In this course, the total enrolled number of students is 25 in one batch.

Trainer of the Programme:

1. Mr. Amrit Dutta, Department of Physics

The outcome of Training Programme:

1. Use the knowledge of basics of electronics and LED to carry out work.
2. Perform LED repair and assembly as per the recommended quality standards.
3. Follow the safety standards and procedures.
4. Implement the soft skills that are required to carry out work efficiently.

A REPORT ON FIELD TRIPS AND INTERSHIP OF STUDENTS OF DIPLOMA IN "TEA PLANTATION AND MANAGEMENT" AND B. VOC STUDENTS OF "SMALL TEA GARDEN MANAGEMENT" SESSION- 2018-19

A new course under Community College Scheme has been introduced in this session ie, B.Voc Course in Small Tea Garden Management. The total number of students enrolled in Diploma in "Tea Plantation and Management" in the session 2018-19 is 69 and in B.Voc in "Small Tea Garden Management", the no. of students enrolled is 27, under Community College, Jorhat Kendriya Mahavidyalaya.

During the first semester period, the students have undergone Field Trips as a part of their syllabus and also they have done their practical classes in the various Tea Estates of Jorhat. They learnt about Pruning and plucking methods, preparation of nursery beds. They also visited the Tocklai Tea Research Institute to study the different clones of Tea as well as the factory and various laboratories of the esteemed Institute. They visited the Microbiology, Soil, Entomology, Biochemistry, Plant Pathology Departments of the institute. Apart from this they also visited Assam Agricultural University Jorhat.

FIELD TRIPS ARRANGED IN THIS SESSION-

1. To Chenijan Tea Estate, Jorhat
2. To Teok Tea Estate, Jorhat
3. To visit Tocklai Tea Research Institute, Jorhat
4. Assam Agricultural University, Jorhat

INTERSHIP OF DIPLOMA AND B.VOC COURSE:

The students of Diploma in Tea Plantation and Management have undergone their internship of 2 months in various Tea Estates of Assam -

S.NO.	NAME OF TEA ESTATE	NO. OF STUDENTS
1.	Gotonga Tea Estate	10
2.	Jaloni Tea Estate	01

EXTRACT COPY OF THE RESOLUTION NO.1 ADOPTED IN THE DEPARTMENTAL SITTING HELD ON 09/08/2008

Today, in the Departmental sitting of the faculty members of the Department of Political Science held under the Chairmanship of the Head, Mrs B. Saikia, a discussion on the pursuance of Higher education took place. After a threadbare discussion the following resolution was adopted.

RESOLUTION NO. 1

Today, the faculty members of the Political Science Department unanimously resolved to open Post Graduate Course in Political Science, in the mode of distance education under the Dibrugarh University. Further, the faculty members decided to co-operate spontaneously in the said course. The sitting also resolved to request the Principal of the College to do the needful in this regard.

*Placed in the L.B. sitting
held on 5/10/08 for consideration
and necessary action.*

True Copy of Resolution in regard to memorial Scholarship of the department of Economics in the meeting held on 21/08/2022 in presence of all faculty members :

The Department of Economics resolved to award memorial scholarship to the student of all end Semester (i.e 2nd, 4th & 6th Semester) who have secured more than 60% & highest marks in Economics Honours in their final examination. By comparing the marks secured by each student, it was resolved that the scholarship would be awarded to Sankriti Sarma (2nd Sem), Darshana Neog (4th Sem), Rahul Gogoi (6th Sem) who secured the maximum marks in 2nd, 4th & 6th Semester Examination 2022 respectively among his peers in class. The meeting also resolved that the scholarship will be awarded in the Fresher's Social Function of the College.

2022	Sanskriti Sarma	Kanak ch Tamuli memorial scholarship (Rs 2000/- in cash & appreciation certificate) as she was highest scorer of 2 nd Sem Exam, 2022 awarded given by Ananta Tamuli
2022	Darshana Neog	Mahendra Nath Bordoloi, memorial scholarship (Rs 2000/- in cash & appreciation certificate) as she was highest scorer (7.08 SGPA) of 4 th Semester Exam 2022, award given by Amarjyoti Bordoloi
2022	Rahul Gogoi	Dulmoni Mahanta memorial scholarship (Rs 2000/- in cash & appreciation certificate) as he was highest scorer (7.23 CGPA) of 6 th Sem Exam, 2022 award given by Arup Kr Mahanta
