ENHANCING LEARNING EXPERIENCES IN USING ICT

ICT tools can communicate, create, disseminate, store and manage information. This tool motivates the students and improves engagement and also retention of knowledge. It helps in enhancement of interaction with students and skills of the students. It provides the platform to maintain an effective environment of the classroom and can be managed by establishing a positive relationship with the students. In teaching-learning and evaluation process ICT tools are used as best practice also.

Our institution provides the following ICT methods for effective maintenance of the classes and other activities.

REPORT OF ICT CLASS

A brief report on Power Point Presentation Class taken by Miss Bonnya Phukan on Public Policy and

Clashes of Civilization, dated 19-05-2022 and 23-06-2022 respectively.

1. Power Point Presentation Class 1 (Date: 19-05-2022, Class: B.A. 4th Semester Honours, Time: 1 pm, Room No: 4) :

The topic of the first PPT class was Public Policy. The class begins with introduction and meaning of Public Policy.

The nature and types of Public Policy also has been discussed in the class. The models of Public Policy namely Systems Model, Institutional Model, Rational Model, Lindblom's Incremental Model, Simon's Satisfying Policy Making Model, Dror's Normative-Optimum Model, Mixed Model and Political Public Policy Model were discussed briefly.

The Central Secretariat, the Cabinet Secretariat, the Prime Minister and his Office, NITI Ayoga etc important institutions which influence the policy making process in India also have been discussed in this PPT class.

2. Power Point Presentation Class 2 (Date: 23-05-2022, Class: B.A. 2nd Semester Honours, Time: 10 am, Room No: 5) :

The topic of the second PPT class was Clashes of Civilization. The class begins with the history and meaning of Cold War. The end of the Cold War in the early 1990s and the various perspectives in the post Cold War world also has been discussed in the PPT class.

The main argument of Samuel P. Huntington about the Clash of Civilization theory was the central point of this class.

According to Huntington, there are eight different types of civilization in the world. They are-

- (i) Western Civilization,
- (ii) Japanese Civilization,
- (iii) Orthodox Civilization,
- (iv) Latin-American Civilization,
- (v) Sinic or Confucian Civilization,
- (vi) Islamic Civilization,
- (vii) Hindu Civilization and
- (viii) African Civilization.

REPORT OF ICT CLASS

A Brief Report on Power point Presentation Class taken by Dr. N.K Sahu dated 23/06/2022

The PPT Class begins with introduction on freedom and its meaning and definition. Freedom or liberty has been divided into two-Negative Liberty and Positive Liberty.

Negative freedom denotes absence of hindrance, coercion or constraint. On the other hand positive freedom implies some sort of legal restriction in observing freedom.

Negative Liberty/freedom is divided into two as described by J.S Mill as follows:-

Freedom regarding self and freedom regarding society.

Liberty or freedom can be again broadly divided into four parts viz social liberty, legal liberty, natural liberty and national liberty. Since legal liberty is specific and definite, so it has been discussed under following headings:-

1. Individual Liberty.
2. Political Liberty.
3. Economic Liberty.

How Liberty can be safeguarded:-

1. Eagerness to maintain liberty.
2. Social and economic equality
3. Democratic rule.
4. Fundamental right
5. Rule of law
6. Independence of judiciary
7. Separation of power
8. Freedom of press
9. Vigilance of people.
10. Cooperation with all

After above discussion a few interactions from students are made which have been cleared by the presenter.

A brief report on Power Point Presentation Class taken by Mr. Manav Pratim Dutta on Agganna Sutta (Digha Nikaya), dated 10-10-2022.

1. Power Point Presentation Class (Date: 10-10-2022, Class: B.A. 5th Semester Honours, Time: 10.00am, Room No: 5): The topic of the PPT class was Digha Nikaya's Agganna Sutta of the early Buddhist political thought. The class begins with the meaning of Sutta. How the 27th of the 34 Sutta in Digha Nikaya describes state, social classes in ideal state and sovereignty have been discussed briefly in the class. The theory of Kingship/Origin of State was the central point in this class. In the concluding part, how the three phases denote evolution of Buddhist conception of state has also been discussed in this class. After the discussion, a lively interaction from students were made which has been cleared in the PPT class.

Rationale of the event :

Personality development is relatively the enduring pattern of thoughts, feelings, and behaviours that distinguishes individuals from each other. Multifaceted traits are deemed to have immense impact in one's career development as well as in professional development.

In recent years, the rapid developments in science and technology and the challenges of globalization are posing additional challenges to the education system. So, to keep pace with the rapid changes in the world at large, the University Grants Commission has been issuing guidelines from time to time for introduction of Career Oriented Courses in Universities and Colleges with an aim to reorient and reshape policies and programmes to make the current Indian Higher Education System more relevant and career-oriented with focus on quality and excellence. It has been envisaged that professionally qualified graduates with a sound knowledge of their core disciplines and expertise in a concerned skill will have more openings in service, industry and self-employment. Soft skills and life skills can make human life more adorable by altering his attitudes & traits and at the same time paving the way for better opportunity and employability.

Soft Skills is a term often associated with a person's ("EQ") Emotional Intelligence Quotient, the cluster of personality traits, social graces, communication, language, personal habits, interpersonal skills, managing people, leadership, etc. that characterize relationships with other people. Life Skills have been defined by the World Health Organization (WHO) as "abilities for adaptive and positive behaviour that enable individuals to deal effectively with the demands and challenges of everyday life". They represent the psycho-social skills that determine valued behavior and include reflective skills such as problem-solving and critical thinking, to personal skills such as self-awareness, and interpersonal skills.

It has become essential for higher education institutions to equip the students with Skills that would increase the employability quotient. In this context, the National Seminar and Workshop on "Significance of Soft Skills and Life Skills and its Pertinence in Career Development" is being organized with an aim to bring under one roof academicians and faculty members, researchers and students to share views and ideas about the importance of Soft Skills/Life Skills and its parameters. The seminar is an effort to produce a distinctive way of thinking about how innovations in higher education can influence the quality of student's life.
