## REPORT ON CELEBRATION OF NATIONAL SCIENCE DAY ,2022

The National Science Day is being celebrated every year in India on 28<sup>th</sup> of February since 1987 to mark the discovery of the "Raman effect" by Indian physicist Sir C. V. Raman on 28th of February 1928. This day is also known as "Rashtriya Vigyan Diwas". This year National Science Day is observed across the nation with the theme "Integrated Approach in Science and Technology for a Sustainable Future".
