

Report on Celebration of National Science Day

The National Science day was celebrated by the Science stream of Jorhat Kendriya Mahavidyalaya in association with IIC & IQAC,JKM on 28th February, 2023 . On that special occasion , two groups of school students were invited to the college to visit the science laboratories with a view to extend the laboratory knowledge among the students of the schools of nearby area as well as to increase their interest in the field of science. At about 9:15 am, the first group of around 40 students from Kenduguri Jatiya Vidyalaya reached college . They were then escorted and hosted by the students of Jorhat Kendriya Mahavidyalaya to the different departmental laboratories of the college. In the departmental laboratories, the students of Jorhat Kendriya Mahavidyalaya nicely demonstrated various experiments and equipments to them. The students also visited the Botanical Garden, Biogas Production unit, Vermicompost Production Unit, Dubori Greenhouse Nursery and the solar carousel unit of the college. The next team was from Sarojini Devi High School, Kenduguri, Jorhat along with their respective teachers. Both the team of students and their teachers highly appreciated the programme.

At about 12 pm, a meeting was held in the college auditorium in the presence of Dr Dulen Saikia, Principal, Jorhat Kendriya Mahavidyalaya. Dr. Gopal Hazarika, member,Governing body, JKM and Mrs. Ranjumoni Saikia, Vice – Principal, JKM. The meeting was hosted by Mrs. Ely Phukan, Academic vice Principal, Science stream. At about 12:15 pm, the lighting of the lamp was done by all the respected dignitaries present in the stage. After a warm welcome speech delivered by Mrs Ely Phukan, she requested the respective colleagues to felicitate the dignitaries present there. After the felicitation programme, Dr. Dulen Saikia , respected Principal of Jorhat Kendriya Mahavidyalaya delivered a talk on the Observation of National Science Day. In his Speech, he highlighted the contributions of C.V Raman to the world of Science as well as the contribution of Indian Scientists in the discovery of ‘Raman Effect’. He also mentioned about the use of Science and Technology in agriculture as well as in other day to day fields. His lecture was quite interesting and fruitful one. On that special occasion, the annual newsletter of the college was also released. A Poster competition was also organized on the occasion of National Science Day in the college.

Mrs. Pinaki Hazarika , HOD, Department of Botany, Jorhat Kendriya Mahavidyalaya, offered the vote of thanks to all the dignitaries, faculty members and participants present there.

With this, the celebration of National Science Day comes to an end at about 2:30 pm.
