2022-2023	30 th January 2023 G-20/Y-20 Pre Events for India Summit 2023

INVITATION

Dear Sir/Madam,

We would like to take this opportunity to inform you that Jorhat Kendriya Mahavidyalaya in association with District Administration, Jorhat and Department of Public Health and Engineering, Jorhat has organized a Oratory Skill Competition on the topic "How India can Harness its Youth Population to be a Superpower".

This program will be held on 30th January 2023. We have invited Deputy Commissioner of Jorhat to inaugurate the event. We would be greatly honored if you can spare some time from your busy schedule to attend the event.

We would request you kindly to assign at least three students and a faculty member to represent your college in the event.

We are eagerly awaiting for your participation in the event.

With regards

Nodal Teachers:
Mrs Ratnamoni Dutta: 9435248080
Mr Binod Kr Hazarika: 7089527564

About Y20 Summit: Youth20 is one of the eight official engagement groups under the G20 umbrella. The G20 rotating presidency bears the responsibility of hosting the India Y20 summit. The Y20 India Summit in 2023 would exemplify India's youth-centric efforts and provide an opportunity to showcase its values and policy measures to the youth across the globe. As India is hosting the Youth 20 (Y20) summit for the first time on the sidelines of the G20 summit, the first meeting of the Y20 Group shall be held in Guwahati from 6th to 8th February, 2023. This is the first of the various meetings to be held on the five Y20 themes across India in a run-up to the final Youth-20 Summit in August 2023. It will focus on five themes of Future of Work; Climate Change and Disaster Risk Reduction; Peace Building and Reconciliation; Youth in Democracy and Health, Wellbeing and Sports.

About G20 : The G20 or Group of Twenty is an intergovernmental forum comprising 19 countries and the European Union (EU). It works to address major issues related to the global economy, such as international financial stability, climate change mitigation, and sustainable development.

The G20 is composed of most of the world's largest economies, including both industrialised and developing nations; it accounts for around 80% of gross world product (GWP), 75% of international trade, two-thirds of the global population, and 60% of the world's land area.
