Sl no	Feedback	Action Taken
1	In the mid semester feedback apprehensions in the teaching learning process during the academic year 2019-20 was expressed as online teaching mode continued due to Covid-19 pandemic.	Virtual learning environment became more stable and primarily Google Meet, Zoom platform was used to conduct online classes as per the time table. It was complemented with communication via whatsapp, Email, Google Classroom and other resource sharing platforms to resolve any doubts and enhance the degree of conceptual clarity. The feedback at the semester showed a high level of satisfaction with the entire process.
2	The online study material available with students was limited.	Web based OPAC(Online Public Access Catalogue), e-books, syllabus, questions papers, open access resources as well as N-LIST /NDL data bases were made available to students. A vast amount of class note was created by teachers. These were made available on Google Drive/Classroom, and through online library facility. Faculty recorded and shared lectures
3	Difficulty in internal assessments was faced by students during pandemic time.	A judicious mix of online quizzes, assignments, viva-voce and project work was used to assess the level of understanding of students. Timely dissemination of information regarding internal assessment and evaluation was ensured. Faculty repeatedly reached out to the students who were falling behind.
4	Mental agony was faced during Covid-19	Teachers also ensured to reach out to the students and helped them to deal with the stress. Mentor-mentee platform was strengthened. Online meetings with parent and student provided the platform for addressing student concerns. Students were encouraged to make use of the financial assistance schemes (notified by the Govt of Assam). Active monitoring of student attendance by faculty for timely identification and support
