6. 5. 2 The institution reviews its teaching-learning process, structures and methodologies of operations and learning outcomes at periodic intervals through IQAC setup as per norms and recorded the significant improvement in various activities.

The IQAC continuously strives to improve the teaching learning process of the institution.

- The IQAC coordinates with the Heads of all the departments of Arts and Science stream at the beginning of the session to prepare a course plan for the semester.
- Regular remedial classes are conducted by the teachers to help the slow learners with the course.
- A parent-teacher meet is organized in every session to keep the parents informed on the performance of their child.
- Sessional examinations are conducted in every semester to monitor the performance of the students.
- The alumni of the college also help in improving the teaching-learning process by taking a few classes in the college.
- The IQAC takes students' feedback regarding academic and co-curricular activities of the institute to find out the areas which need improvement.
- There is provision of free Wi-Fi, ICT classes, virtual laboratory, and e-resources in the library for the students.
