National Youth day is being celebrated every year on 12th January to commemorate the birth anniversary of Swami Vivekananda since 1985. This year the day has been observed across the Nation with the theme: "It's all in the mind" a key teaching of Swami Vivekananda. Jorhat Kendriya Mahavidyalaya has also celebrated National Youth Day as part of Azadi Ki Amrit Mahotsav under the aegis of NSS and NCC Unit of the college and in collaboration with IQAC in order to ignite Nationalism in the

minds of the students. The Programme opened with an open quiz competition conducted by Mr. Bishnuram Nath. Mr. Binod Hazarika and Mr. Amrit Dutta, as judges engaged the students with more than a hundred questions.

The main agenda of the meeting commenced with the invitation and felicitation of guests on the diss. The distinguished guests for the occasion were Chief guest Mr. Topon Kumar Gogoi, Honourable member of Parliament, Lok Sabha, Govt. of India and Guest of Ihonour Mr. Diganta Biswa Sarma, Sahitya Academy Translation Awardee, a devotee of Shri Ramakrishna, Swami Vivekananda and Sri Aurobindo and President of Governing Body, Shri Gopal Hazarika. In the welcome Speech, the Principal of the college Dr. Dufen Sakka introduced the guests before the students and other members of the college. He highlighted on the significance of the day emphasizing on the power of youth in shaping the future of the nation and suid that youths are the pilars of the nation and the society has a major role to play in moulding the lives of the youth.

The Chief Guest Mr. Topon Gogoi, in his address, spoke about the influential personality of Swami Vivekananda and stressed on the importance of developing critical thinking among the youth. He deplored upon the inclination of youth sowards drugs. He appealed to all the students' present there to take an outh to develop and apply their inner talents for the betterment of the society. He concluded his speech with the declaration that he would donate 10 lakhs to the college development fund. The Newsletter of JKM (Yolume V), tilled "JKM Newsletter", edited by Dr. Ananta Tamuli, Asst. professor, Dept of Economics was also inaugurated by the esteemed Member of Parliament.

Mr. Digama Biswa Sarma, a scholar per excellence, an educator and intellectual, in his address inspired the students by his thought provoking and powerful speeches on Swarmi Vivekananda's life and messages. He spoke about youth, eternal youth and the power of youth. In his words, to grow is to increase one's potentials and ones capacities, 'to progress' is to make constantly more perfect the capacities that a person is endowed with, because, he believed that there is a genius within every human being—
we just need to identify and develop it. The secret of eternal youth according to the scholar lies in three key concepts: Progress as the goal of life, constant re-birth into a

new life, insatiable thirst for progress and the presence of limitless possibility of progress. He concluded with the words of Vivekananda; "Truth is my God, The Universe my Country, This is the eternal voice of Eternal India".

The meeting was conducted by Mrs. Ratnamoni Dutta, coordinator, NCC and

UGC SPONSORED NATIONAL SEMINAR On

Environmental Degradation And Its Effects in India

With Special Reference to North East Region

Date: 22"& 23" September,2017

A two day UGC sponsored seminar on "Environmental Degradation and its Effects in India with Special Reference to North East India was hosted in Jorhat Kendriya Mahavidyalaya by the Dept. Of Economics & Deptt of History under the Chairmanship of Dr. Munindra Konwar, Principal of the College. There were more than 150 attendees from different parts of the state that included Professors, Students, Research scholars ,Teachers ,NGO workers ,IT technicians etc.

The aim of the seminar to bring interest of the participants about the greatest challenges facing by the humanity i.e environmental degradation, including deforestation, desertification, pollution and climate change etc which is an issue of increasing concern for the global community. In North-Eastern Region, the massive degradation of forest land due to increasing human activities in the hills has posed a threat to quite a few rare plant species. Because of environmental degradation floods are becoming increasingly severe in terms of area and duration of submergence. The large scale degradation of agriculture land in the region has been responsible for creating food insecurity in some parts of the region. We are glad to receive a huge number of papers i.e. 130, hereby extend our gratitude to all the participants. We are indebtedness to UGC NERO for their valuable sponsorship. Our resource person Prof. Rajib Handique, Dept.of History ,Guwahati University ,Dr. R. S. C. Jayraj, Director, RFI, provided their valuable speech. Padmashree Yadav Payeng also provided his speech regarding deforestation and how to make India green. Participants raised their queries regarding the above topic. The conclusion of the seminar-

- The paper presenters met the quarries of the students and provides essential information.
- The chairperson of the seminar delivered a valuable speech and suggestions for the students.
- 3. At the end the chairperson concluded the seminar with his valuable speech.

A POPULAR TALK ON THE TOPIC "ROLE OF MICROORGANISMS IN SOIL AMENDMENT"

A Popular Talk was organized by the Department of Botany on 26th September, 2022 on the topic "Role of Microorganisms in Soil Amendment" in Academic Conference Hall, JKM. The programme begin at about 11am in the presence of the faculty members of the department and the students. The talk was delivered by Dr. Dondeswar Dutta, Ex-Scientist D, RFRI, Jorhat. The proceedings of the talk began with an introduction given by Prof. Rashmi Rekha Bora, followed by the felicitation of the resource person, Dr. Dondeswar Dutta by Miss Khusboo Agarwal. A brief speech was given by Prof. Pinaki Hazarika, the Head of the Department, Botany.

Following this, Dr. Dondeswar Dutta Sir began his talk. He started off by explaining the importance of microorganisms in our day-to-day life. In the beginning, Sir showed a Power Point presentation which started with the "application/utility of science in practical life". He explained how we should apply our theoretical knowledge in practical life. In the next slides, he talked about biofertilizers, bioactive compounds, antibiotics, food products, etc derived from beneficial microorganisms like PGPR, AMF, phosphate solubilizing bacteria, etc.

Succeedingly, he went on to show the students and faculty members the amazing

AMF, phosphate solubilizing bacteria, etc. Succeedingly, he went on to show the students and faculty members the amazing work he had done during his tenure. He showed how he, along with his team, transformed barren lands near coal mines of area such as Margherita into a green vegetation with the help of microorganisms (PGPR, VAM culture etc.). He showed the entire process that was followed via Power Point presentation. It started with plantation of seedlings, followed by lime treatment and addition of beneficial microorganisms like AMF, PGPR, FYM, etc.

The work and pictures that he showed fascinated the students as well as the facult members. His wonderful talk was then concluded by a vote of thanks from Ms Dimplly Borah (faculty member) and Supreeti Hazarika (student). In the end, snack were served to the guest, faculty members and all the students present. The talk was a huge success catering to around 65 students, from HS 1st year to B.Sc. 5 semester.

One week FDP Programme on Use of ICT Tools for Classroom Teaching Organized by Electronics and ICT Academy, IIT Guwahati in association with JKM Date: 1-07-2019 to 07-07-2019

The one week Faculty Development Programme on 'Use of ICT tools for Classroom Teaching' was organised by Jorhat Kendriya Mahavidyalaya and Electronics and ICT Academy IIT, Guwahati with support from Mantra Associates from1st July to 6th July, 2019. It was successfully held and 69 participants from different colleges and University registered for the programme. Mr.Saumyajit Choudhury and Mr. Deenu Lazarus from Mantra Associates acted as Resource Person in the One Week Faculty Development Programme.

The programme started on 1st July, 2019 at 9 am. On the onset of the programme, two Resource persons and Dr. Munindra Konwar, Principal of Jorhat Kendriya Mahavidyalaya were falicitated by assamese Fulam Gamucha. Then the welcome address was delivered by the principal of the college. He first welcomed both the participants and Resource Persons and mentioned that application of ICT tools in teaching learning process has changed the scenario. ICT can't replace the teacher; it can aid the teacher in the process of teaching and make the teaching learning process more interactive. The effective use of ICT in teaching learning process also depends on teacher's ICT competency and skill. So teaches have to realize that if the students are to achieve a high level of competency and competitiveness, they have no other choice but to adopt technology as an integrated tool in the field of education. Both the Resource Persons also spoke about the importance of use of ICT tools in the classroom and wished the participants. In this auspicious day "Candescent' the Resource Journal of Jorhat Kendriya Mahavidyalaya was also released by Principal Dr. M. Konwar.
