<p><b>INVITATION</b></p> <p>To _____</p> <p>Dear Sir/Madam,</p> <p>It gives us immense pleasure to convey that the Community College Wing of Jorhat Kendriya Mahavidyalaya, is organising a National Level Workshop on "SKILL DEVELOPMENT UNDER COMMUNITY COLLEGE SCHEME: ITS PROBLEMS AND PROSPECTS" on 1<sup>st</sup> and 2<sup>nd</sup> September, 2017, in collaboration with Small Tea Growers Association, Jorhat District.</p> <p>You are cordially invited to participate in the workshop and make it a successful one.</p> <p>Dr. Munindra Kumar President, Organizing Committee, Principal, Jorhat Kendriya Mahavidyalaya</p> <p>Ms. Arundha Bosh Coordinator, HOD &amp; Associate Professor, Department of English, JKM</p> <p>Ms. Priya Hazarika Assistant Coordinator, Coordinator, Tea Plantation and Management Course, Community College Wing, JKM</p>		<p><b>ABOUT THE COLLEGE</b></p> <p>Jorhat Kendriya Mahavidyalaya is a co-educational premier institution in Assam, offering courses of study in both Arts and Science streams. The College is located at Kenduguri, 3 km. east of Jorhat city centre and is well linked by NH-37 as well as by the Assam Trunk Road. The college was established in 1981 with the noble objective of meeting the needs of higher education of a large locality, quite a number of who belong to the rural and economically weak background. The College is permanently affiliated to Dibrugarh University. In Parallel with the introduction of the Semester system by the University from 2011-2012, the College has introduced BA and MA in the Distance mode to enable employed students or students who are unable to pursue regular courses for different reasons an opportunity for higher education. Jorhat Kendriya Mahavidyalaya has introduced the Community College scheme in 2015 by starting a one year (Two semesters) Diploma course in Tea Plantation and Management. Two batches enrolled in 2015 and 2016 respectively have successfully completed the course. A third batch is making a headway with full support and cooperation of several personnel closely associated with tea and in collaboration with tea gardens of the neighbouring areas.</p> <p><b>ABOUT THE THEME OF THE WORKSHOP</b></p> <p>India, at present, is recognized as one of the younger nations in the world with over 50% of the population under the age of 30 years. This has increasingly been recognized as a potential source of significant strength for national economy, provided the skills of the population in the working age group are equipped and correctly upgraded. In recognition of this need, the 12th Five Year Plan document of planning Commission has laid a special emphasis on expansion of skill-based programmes in Higher education and recommends establishment of 200 community colleges under University Grants Commission (UGC) in the existing colleges/universities as a separate entity to prepare skilled manpower with desired employability based on learner's interest and community needs. The aim of Community College therefore is to generate skilled manpower in the line of market demand by imparting job-oriented, work related, skill-based and life coping education.</p> <p>Whole Community College scheme hopes to make qualitative difference in the economic scenario of the nation, this will only be possible with collaboration from local industrial establishments/potential employers and after taking into account the opportunities available for employment/self-employment in the local area. The Community College cannot succeed without the active participation and collaboration of the industrial, rural, agricultural, commercial and service organizations of the locality. Moreover, the skill development programmes survey and fill need of the locality. The workshop therefore, proposes the following objectives:</p> <ol style="list-style-type: none"><li>1. To explore viable prospects in specific locations in the state of Assam for full utilization of the scheme to empower potential youth of the community.</li><li>2. To identify the workforce needs of the state.</li><li>3. Suggestion of relevant skill-development courses with corresponding organizations for linkage and support.</li><li>4. To explore the available fields for endorsement of skilled workforce and possibilities of self-employment.</li></ol>
